A roll call vote was taken on the motion:

Ballard – yes	Harrison – yes	Lambert – yes	Reeves – yes
Burchfield – yes	Hasty – yes	Lewis – yes	Samples – absent
Farmer – yes	Helton – yes	McCulley – yes	Walker – no
French – yes	Keeble – yes	Melton – yes	
Graham – absent	Kirby – yes	Murrell – yes	
Hargis – yes	Lail – absent	Proffitt – yes	

There were 17 voting yes, 1 voting no, and 3 absent. Chairman Pro Tem Farmer declared the motion to have passed.

Commissioner Walker made a motion to suspend the December County Commission meeting. Commissioner Helton seconded the motion.

A roll call vote was taken on the motion:

Ballard – yes	Harrison – yes	Lambert – yes	Reeves – yes
Burchfield – yes	Hasty – yes	Lewis – yes	Samples – absent
Farmer – yes	Helton – yes	McCulley – yes	Walker – yes
French – yes	Keeble – yes	Melton – yes	
Graham – absent	Kirby – yes	Murrell – yes	
Hargis – yes	Lail – absent	Proffitt – no	

There were 17 voting yes, 1 voting no, and 3 absent. Chairman Pro Tem Farmer declared the motion to have passed.

**IN RE: ADJOURNMENT.**

Chairman Pro Tem Farmer declared the meeting to be adjourned.

**RESOLUTION NO. 10-01-002**

**Sponsored by: Blount County Board of Commissioners and Mayor Jerry Cunningham**

**A PROCLAMATION HONORING THE ALCOA HIGH SCHOOL FOOTBALL TEAM FOR THEIR OUTSTANDING ACCOMPLISHMENTS**

**BE IT PROCLAIMED**, by the Board of Commissioners of Blount County, Tennessee, in session assembled this 21st day of January, 2010:

**WHEREAS**, on Friday, December 4, 2009 at the BlueCross Bowl in Cookeville, Tennessee, the Alcoa High School Tornadoes Football Team claimed their 6th consecutive state title, making Tennessee State History, and winning the TSSAA Class 3A Championship by defeating Milan 21-0; and

**WHEREAS**, Senior Tailback Jaron Toney was named the BlueCross Bowl's Offensive MVP for the second-consecutive year, closing out the year with a single season state record rushing total of 50 touchdowns, and Senior Linebacker Dee Herbert, with a tied game high of 13 tackles, was named Defensive MVP; and

**WHEREAS**, under the leadership of Coach Gary Rankin and staff, and through the hard work and efforts by the members of the team, the Alcoa High School Tornadoes completed their first perfect season since 2000 and decisively defeated all of their opponents; and

**WHEREAS**, Blount County is extremely proud of the accomplishments of this fine group of young athletes and their outstanding coaching staff; and

**WHEREAS**, the Alcoa High School Tornadoes Football Team and staff are to be commended for their accomplishments, commitment, determination, exceptional efforts, and an outstanding football program.

**NOW THEREFORE, WE, the Blount County Mayor and the Blount County Board of Commissioners**, do hereby congratulate and honor the players, coaches and staff of the Alcoa High School Tornadoes Football Team for winning their 6<sup>th</sup> consecutive state championship, and we ask all Blount County citizens to join us in applauding their outstanding accomplishments.

**BE IT FURTHER PROCLAIMED** that this proclamation shall be made a part of the official records of the Board of Commissioners of Blount County, Tennessee.

**A PROCLAMATION HONORING THE MARYVILLE HIGH SCHOOL FOOTBALL TEAM FOR THEIR OUTSTANDING ACCOMPLISHMENTS**

**BE IT PROCLAIMED**, by the Board of Commissioners of Blount County, Tennessee, in session assembled this 21st day of January, 2010:

**WHEREAS**, Blount County citizens are very proud of the accomplishments of the highly respected Maryville High School Rebels Football Team and its exceptional coaching staff; and

**WHEREAS**, Maryville High School Rebels Football Team competed in the Tennessee Secondary School Athletic Association's highest Division I classification on Saturday, Dec. 5, 2009, Class 6A State TSSAA Championship game at the Tennessee Tech University's Tucker Stadium, earning a ranking of 2nd in the State; and

**WHEREAS**, the Maryville High School Rebels Football Team holds numerous TSSAA records, including Most Points in a Season for 2001, 2002, 2004, Most Consecutive Wins of any football team in the State (74 wins from 2004-2008), and a tied record with Alcoa High School for Most Team State Championships (11); and

**WHEREAS**, Head Coach George Quarles, with 150 career wins, and his staff have led the Rebels to win 126 of their last 130 games; and

**WHEREAS**, the student athletes, their families, and Coach George Quarles and his entire staff, are to be commended for their efforts, commitment, talents, and perseverance.

**NOW THEREFORE, WE, THE BLOUNT COUNTY MAYOR AND THE BLOUNT COUNTY BOARD OF COMMISSIONERS**, do hereby give honor and recognition to the Maryville High School Rebels Football Team and invite all Blount County citizens to join us in applauding their outstanding accomplishments.

**BE IT FURTHER PROCLAIMED** that this proclamation shall be made a part of the official records of the Board of Commissioners of Blount County, Tennessee.

Blount County Ag. Extension  
219 Court Street  
Maryville, TN 37804-5917  
January 11, 2010

Honorable Members  
Blount County Board of Commissioners  
359 S. Court Street  
Maryville, TN 37804-5906

Dear Commissioners:

With regard to the Blount County Agriculture Extension Committee appointments, the following recommendations are submitted for your consideration.

1. Appoint Commissioner Mike Walker to replace Commissioner John Keeble in accordance with policy as he has completed his 3<sup>rd</sup> consecutive 2-year term.
2. Re-appoint Mark Hasty as Commissioner to commence 2<sup>nd</sup> 2-year term.
3. Re-appoint Dr. Deanna Walker as a Farm Women representative as she has completed her 1<sup>st</sup> 2-year term.
4. Appoint Mr. Tom Bowers as a Farm Men representative to replace Mr. Leroy Huff in accordance with policy as he has completed his 3<sup>rd</sup> consecutive 2-year term.

I would offer the following regarding the qualifications for Mr. Tom Bowers to serve in this capacity. Additional biographical information can be found on the accompanying page.

- Mr. Bowers is a native and life-long resident of Blount County who is actively engaged in farming.
- Mr. Bowers was active as a dairy farmer for 40 years.
- He currently raises beef cattle and is active in the livestock industry in Blount County.
- Mr. Bowers has a positive and enthusiastic attitude toward serving the Blount County community through agriculture related activities.
- Mr. Bowers, as a farmer with experience in the daily rigors of farm management, has a vested personal/family interest in home & farm activities related to the agriculture community.
- Mr. Bowers serves and has served on various agricultural related organization boards and therefore has keen insight into the needs and interests of the Blount County agriculture community.

Thank you for your consideration of this request. If I may be of assistance please contact me at 982-6430 or e-mail [jawilson@utk.edu](mailto:jawilson@utk.edu).

Respectfully Yours,  
*John A. Wilson*  
John Wilson  
County Director

Jerry Cunningham  
Mayor of Blount County  
341 Court Street  
Maryville, TN 37804

Dear Mayor Cunningham:

I am pleased to request that the Blount County Commission approve Ms. Susan Keller and Mr. Clarence Williams for new three-year terms on the Blount Memorial Hospital Board of Directors. These terms would be for the calendar years of 2010, 2011, and 2012.

Ms. Keller and Mr. Williams are both currently on the board and have been excellent board members. Both currently serve on all the board committees: finance, institutional planning, human resources, professional affairs and joint conference committee. Both Mr. Williams and Ms. Keller bring excellent knowledge to the board and have been very active. Enclosed are brief information sheets on Ms. Keller and Mr. Williams.

The nominating committee would appreciate your taking Mr. Williams' and Ms. Keller's nominations through the Commission's process as soon as practical. I would also appreciate your letting me know when the Commission has made its decision.

Thank you for your consideration in this matter,

Sincerely yours,

Robert P. Redwine  
Chairman  
Board Nominating Committee

## CLARENCE B. WILLIAMS

Before retiring from the Tennessee Valley Authority in 2005, Clarence B. Williams was the Director of Equal Opportunity Compliance where he was employed for 24 years. He was responsible for the impartial processing of TVA's equal opportunity complaints.

Williams has 32 years experience in the equal opportunity arena with TVA, the Department of Energy, and the Department of Labor. His experience includes positions as a summer intern with Union Carbide from 1968 through 1971. From 1972 through 1980 he was employed as Facility Compliance Officer with the Atomic Energy Commission; Facility Compliance Officer with the U.S. Energy Research and Development Administration; Senior Compliance Officer, Acting Branch Chief, and Acting Regional Director for the U.S. Department of Energy; and Supervisor, and Acting Director with the U.S. Department of Labor, Office of Federal Contract Compliance Program in Tennessee.

He is a graduate of the University of Tennessee with additional studies and training at the University of Michigan, Harvard University, the University of Tennessee, Bowie State University, National Training Laboratory, the Center for Creative Leadership, The Justice Center of Atlanta, as well as other professional development and training. He is also a trained and experienced mediator in workplace disputes.

He has served on the Board of Directors of the Blount County Affiliate of Habitat for Humanity and on the board of directors of Child and Family Services of Tennessee. Presently, he sits on the Alcoa Regional Planning Commission as Vice Chairman, the Advisory Board for First Tennessee Bank and the Advisory Board for the Frank H. McClung Museum at The University of Tennessee.

RE: Recommendation for Solid Waste Authority

DATE: January 6, 2010

For the consideration of the full commission, I am submitting my recommendation of the following names to be appointed to the Board of the Blount County Solid Waste Authority for terms expiring in January of 2016:

Gerald Kirby – Blount County Commission Representative

Mike Fontinell, Denso – reappointment – County Industrial Representative

**RESOLUTION No. 10-01-005**

**Sponsored by Commissioners Gary Farmer and Brad Harrison.**

**A RESOLUTION TO AMEND THE ZONING RESOLUTION OF BLOUNT COUNTY, TENNESSEE, SECTION 9.2 B to add private non-commercial airstrips to the list of uses permitted as special exception in the R-1 zone, and add section 7.16 Design Standards for Private Non-Commercial Airstrips to the zoning regulations for Blount County, Tennessee, and change section 11.5-C to increase the minimum number of days a property must be posted for a special exception from five (5) to ten (10).**

**BE IT RESOLVED**, by the Board of Commissioners of Blount County, Tennessee, in session assembled this 21st day of January, 2010:

**WHEREAS**, the Legislature of the State of Tennessee has enabled Blount County to adopt and amend zoning regulations in Tennessee Code Annotated Sections 13-7-101, *et seq.*, and

**WHEREAS**, the Board of Commissioners of Blount County, Tennessee adopted zoning regulations in Resolution 00-06-010 **A RESOLUTION ADOPTING ZONING IN BLOUNT COUNTY PURSUANT TO SECTIONS 13-7-101, *et seq.*, OF THE TENNESSEE CODE ANNOTATED**, and

**WHEREAS**, it is desired to amend such Resolution to provide an avenue to permit said use upon review and approval,

**NOW, THEREFORE, BE IT RESOLVED, BY THE BOARD OF COMMISSIONERS OF BLOUNT COUNTY, TENNESSEE**, to adopt the following:

That Section 9.2 B be amended to read as follows:

**9.2 B.** Uses Permitted as Special Exceptions: multifamily dwellings including three or more of any dwelling units per lot (see also Section 7.6) and their associated sales or rental offices for the development, family commercial enterprises (see Section 7.10), nursing homes, retirement homes, sanitariums, assisted care living facilities, and resident facilities with special services, treatment, or supervision; day care facilities; commercial cemeteries not associated with a church or other place of worship; government and utility uses of a regional character necessary for providing service to the land and population within a broader region including the district; sawmills and associated lumberyards; bed and breakfast accommodations; golf driving range; vacation cabin rental (see also section 7.11); *private non-commercial airstrips*; and accessory structures customarily associated with the above uses.

That section 7.16 be added to read as follows:

**7.16 Design Standards for Private Non-Commercial Airstrips.** In addition to requirements for special exceptions, the following shall be requirements for private non-commercial airstrips.

**A.** A site plan of the proposed landing strip shall be presented at the time of the proposal. See section 7.2 for site plan requirements.

**B.** The landing strip shall be appropriate for and limited to small single engine fixed-wing aircraft only.

**C.** Airstrip runways are to be located no closer than one thousand (1000) feet from the centerline of the runway to the closest dwelling unit, excluding the owner of the property, and that said centerline be located no less than two thousand (2000) feet from any church, school or places of public assembly.

**D.** All landing strips shall be situated in such a manner that under no circumstances shall an approach or departure be over a residence, excluding the owners, provided that the residence be located a minimum of 2,000 (two thousand) feet beyond the end of the required landing strip length.

**E.** The site plan shall show all roads bordering the subject property, and the location and type of all adjacent utility lines.

**G.** A state erosion control permit shall be submitted prior to approval.

**H.** A slope and terrain analysis shall be submitted to confirm that no topographical obstructions exist at the ends of the runway.

**I.** A copy of all necessary local, state and federal documents must be submitted with the special exception application before issuance of said special exception. These documents should include, but not be limited to the following:

1. State of Tennessee NPDES permit. Notice of coverage under the general NPDES permit for storm water discharges associated with construction activity.
2. FAA form 7480-1. Letter of proposal of airport/landing strip construction supplied by the applicant.
3. A copy of the FAA airspace determination letter without conditions or objections. Any conditions or objections noted in the document shall form the basis for denial of the special exception.
4. Letter of agreement between existing airstrips within a five mile radius.

- J. Public Notice. For purposes of this ordinance, any special exception request shall require notice of intent to apply for a private non-commercial airstrip sent by the applicant through registered mail at least 10 days prior to hearing to all abutting property owners and all owners of properties that are located within two thousand (2,000) feet of the property on which a private non-commercial airstrip is proposed, in addition to any notice otherwise required by this Resolution. Record of registered mail delivery to be supplied by the applicant prior to hearing by the Board of Zoning Appeals.

That section 11.5-C be amended to read as follows:

**11.5-C.** The land or site of the special exception shall be posted by a sign set by the Building Commissioner along a fronting or adjacent public road notifying neighboring property owners of the application for special exception, date, time and place of hearing, and telephone number of the Building Commissioner for further information. Such sign shall be posted at least ten days prior to the date of the hearing.

**BE IT FURTHER RESOLVED THAT THIS RESOLUTION SHALL BE IN FORCE AND BECOME EFFECTIVE UPON ITS ADOPTION, THE PUBLIC WELFARE REQUIRING IT.**

---

Below you will find the revised design standards for private non-commercial airstrips, and a proposed change to section 11.5 C.

**7.16 Design Standards for Private Non-Commercial Airstrips.** In addition to requirements for special exceptions, the following shall be requirements for private non-commercial airstrips.

- A. A site plan of the proposed landing strip shall be presented at the time of the proposal. See section 7.2 for site plan requirements.
- B. The landing strip shall be appropriate for and limited to small single engine fixed-wing aircraft only.
- C. Airstrip runways are to be located no closer than one thousand (1000) feet from the centerline of the runway to the closest dwelling unit, excluding the owner of the property, and that said centerline be located no less than two thousand (2000) feet from any church, school or places of public assembly.
- D. All landing strips shall be situated in such a manner that under no circumstances shall an approach or departure be over a residence, excluding the owners, provided that the residence be located a minimum of 2,000 (two thousand) feet beyond the end of the required landing strip length.
- E. The site plan shall show all roads bordering the subject property, and the location and type of all adjacent utility lines.

F. A state erosion control permit shall be submitted prior to approval.

G. A slope and terrain analysis shall be submitted to confirm that no topographical obstructions exist at the ends of the runway.

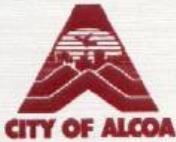

H. A copy of all necessary local, state and federal documents must be submitted with the special exception application before issuance of said special exception. These documents should include, but not be limited to the following:

1. State of Tennessee NPDES permit. Notice of coverage under the general NPDES permit for storm water discharges associated with construction activity.
2. FAA form 7480-1. Letter of proposal of airport/landing strip construction supplied by the applicant.
3. A copy of the FAA airspace determination letter without conditions or objections. Any conditions or objections noted in the document shall form the basis for denial of the special exception.
4. Letter of agreement between existing airstrips within a five mile radius.

F. Public Notice. For purposes of this section, any special exception request shall require notice of intent to apply for a private non-commercial airstrip sent by the applicant through registered mail at least 10 days prior to hearing to all abutting property owners and all owners of properties that are located within two thousand (2,000) feet of the property on which a private non-commercial airstrip is proposed, in addition to any notice otherwise required by this Resolution. Record of registered mail delivery to be supplied by the applicant prior to hearing by the Board of Zoning Appeals.

**Proposed change to section 11.5-C to read as follows.**

11.5-C. The land or site of the special exception shall be posted by a sign set by the Building Commissioner along a fronting or adjacent public road notifying neighboring property owners of the application for special exception, date, time and place of hearing, and telephone number of the Building Commissioner for further information. Such sign shall be posted at least ten days prior to the date of the hearing.

## PLANNING AND CODES DEPARTMENT

December 22, 2009

Mr. Roger Fields  
Blount County Building and Codes  
1006 East Lamar Alexander Parkway  
Maryville, TN 37804

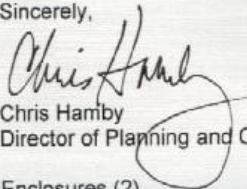

Subject: Blount County Zoning Resolution Amendments—  
Private, non-commercial airstrips  
Floodplain Zoning

Dear Mr. Fields:

The Alcoa Regional Planning Commission met in regular session on December 17, 2009, to consider two proposed amendments to the Blount County Zoning Resolution, as above referenced. Please find enclosed two Alcoa Regional Planning Commission resolutions recommending said amendments.

If you should have any questions, please do not hesitate to contact me.

Sincerely,

  
Chris Hamby  
Director of Planning and Codes

Enclosures (2)

WHEREAS, the Alcoa Municipal/Regional Planning Commission did meet in regular session on December 17, 2009, in accordance with the provisions of TCA Section 13-7-104, that the certifying regional planning commission (Alcoa Regional Planning Commission) first approve, disapprove, or suggest to the county legislative body any change or departure from the zoning ordinance text or maps; and,

WHEREAS, such regulations are to be designed and enacted for the purpose of promoting the health, safety, morals, convenience, order, prosperity and welfare of the present and future inhabitants of the state and of its counties;

NOW, THEREFORE, BE IT RESOLVED by the City of Alcoa Municipal/Regional Planning Commission, that the planning commission recommends approval of a resolution to amend the Zoning Resolution of Blount County, Tennessee, to allow private non-commercial airstrips upon approval of a special exception and incorporating certain design standards. Those standards include an appropriately sized landing strip limited to small single engine fixed-wing aircraft, with airstrip runways located no closer than 1,000 feet from the centerline of the runway to the closest dwelling unit or 2,000 feet from any church, school or place of public assembly. Additionally, landing strips are to be situated where there will be no approach or departure over a residence (excluding owners) and that a residence must be located a minimum of 2,000 feet beyond the end of a required landing strip. Certain site plan considerations are also required (i.e., showing all roads bordering the property and the location and type of all adjacent utility lines). Further, a slope and terrain analysis verifying that no topographical obstructions exist at the ends of a runway; a copy of all necessary local, state and federal documents must be submitted with the special exception application before its issuance (including NPDES permit, FAA form 7480-1, a copy of a FAA airspace determination letter without conditions or objections and a letter of agreement between existing airstrips within a five-mile radius); public notice to all abutting property owners and all owners of property located within 2,000 feet of the property on which such an airstrip is proposed, and any other notice required, with the special exception posting by the Building Commissioner along fronting or adjacent public roads at least 10 days prior to the date of hearing.

ADOPTED this 17<sup>th</sup> day of December, 2009.

  
Chairman, Alcoa Municipal/Regional Planning Commission

ATTEST:

WHEREAS, the Alcoa Municipal/Regional Planning Commission did meet in regular session on December 17, 2009, in accordance with the provisions of TCA Section 13-7-104, that the certifying regional planning commission (Alcoa Regional Planning Commission) first approve, disapprove, or suggest to the county legislative body any change or departure from the zoning ordinance text or maps; and,

WHEREAS, such regulations are to be designed and enacted for the purpose of promoting the health, safety, morals, convenience, order, prosperity and welfare of the present and future inhabitants of the state and of its counties;

NOW, THEREFORE, BE IT RESOLVED by the City of Alcoa Municipal/Regional Planning Commission, that the planning commission recommends approval of a resolution to amend the Zoning Resolution of Blount County, Tennessee, to regulate floodplain areas of Blount County by establishing continued eligibility in the National Flood Insurance Program and designating the Blount County Board of Zoning Appeals as having the authority for variance of flood plain regulations.

ADOPTED this 17<sup>th</sup> day of December, 2009.

**RE: AMENDMENTS TO THE COUNTY'S ZONING RESOLUTION**

Dear Mr. Fields:

On December 21, 2009, the Maryville Regional Planning Commission voted unanimously to endorse the following amendments to the Blount County Zoning Resolution.

- Amendment adding private non-commercial airstrips to the list of permitted uses in the R-1 zone, the addition of design standards for private non-commercial airstrips, and increasing notification time to property owners and abutting property owners from five days to ten days
- Amendment concerning membership and variance authority of the Board of Zoning Appeals

If I can be of further assistance, give me a call at 273-3520.

Sincerely,

John Jagger, Director  
Development Services

**RESOLUTION No. 10-01-006**

**Sponsored by Gary Farmer and Brad Harrison**

**A RESOLUTION TO AMEND THE BLOUNT COUNTY FLOOD PLAIN ZONING RESOLUTION, ARTICLE VI SECTION A.1 CONCERNING MEMBERSHIP AND VARIANCE AUTHORITY OF THE BOARD OF ZONING APPEALS.**

**BE IT RESOLVED**, by the Board of Commissioners of Blount County, Tennessee, in session assembled this 21st day of January, 2010:

**WHEREAS**, the Board of Commissioners of Blount County, Tennessee adopted amended flood plain zoning regulations in Resolution 07-06-001 **A RESOLUTION ADOPTED PURSUANT TO SECTIONS 13-7-101 THROUGH 13-7-115 OF THE TENNESSEE CODE ANNOTATED FOR THE PURPOSE OF REGULATING THE FLOODPLAIN AREAS OF BLOUNT COUNTY, TENNESSEE TO MINIMIZE DANGER TO LIFE AND PROPERTY AND TO ESTABLISH CONTINUED ELIGIBILITY IN THE NATIONAL FLOOD INSURANCE PROGRAM BY AMENDMENT OF THE BLOUNT COUNTY FLOOD PLAIN RESOLUTION ADOPTED JUNE 15, 2000 AS RESOLUTION 00-06-011.**, and

**WHEREAS**, the Legislature of the State of Tennessee has enabled Blount County to adopt and amend zoning regulations in Tennessee Code Annotated Sections 13-7-101 through 13-7-115, and has specifically enabled Blount County to adopt regulations for special districts or zones where land is deemed subject to seasonal or periodic flooding in Tennessee Code Annotated Section 13-7-101(a)(1), and

**WHEREAS**, such zoning regulations for such special districts or zones allows Blount County and its citizens to be eligible for participation in the National Flood Insurance Program, and

**WHEREAS**, such zoning regulations for such special districts may designate the Board of Zoning Appeals appointed under sections in the Zoning Resolution of Blount County, Tennessee, to have authority for variance of flood plain regulations, and

**WHEREAS**, it is desired to make such zoning regulations for such special districts consistent with the general provisions for membership of the Board of Zoning Appeals in the Zoning Resolution of Blount County, Tennessee,

**NOW, THEREFORE, BE IT RESOLVED, BY THE BOARD OF COMMISSIONERS OF BLOUNT COUNTY, TENNESSEE**, to adopt the following:

That Article VI, Section A.1 be amended by deletion thereof and replacement with the following:

1. The Board of Zoning Appeals created in Article 11 Section 1 of the “Zoning Resolution of Blount County, Tennessee” shall be the same Board of Zoning Appeals for purposes of this Resolution.

**BE IT FURTHER RESOLVED THAT THIS RESOLUTION SHALL BE IN FORCE AND BECOME EFFECTIVE UPON ITS ADOPTION, THE PUBLIC WELFARE REQUIRING IT.**

# Memo

**To:** Blount County Planning Commission  
**From:** Roger D. Fields  
**CC:** Other Planning Commission Members  
**Date:** November 6, 2009  
**Re:** Revision of flood regulations.

---

At last months meeting we discussed a change that needed to be addressed in our flood plain regulations. The change was to specify if the appeals board is a 3 of 5 member board. Our board is a 5 member board and I have made that correction below. This would replace the current wording in the document, which you can see below. This change has been recommended by Bart Hose with the State of Tennessee's local planning assistance.

## **ARTICLE VI. VARIANCE PROCEDURES**

The provisions of this section shall apply exclusively to Areas of Special Flood Hazard within the unincorporated areas of Blount County, Tennessee.

### **Section A. Board of Appeals**

#### **1. Creation and Appointment CURRENT WORDING**

A Board of Appeals is hereby established which shall consist of three ~~(3)/five~~ (5) members appointed by the Chief Executive Officer. The term of membership shall be four (4) years except that the initial individual appointments to the Board of Appeals shall be terms of one, two, and three years respectively. Vacancies shall be filled for any unexpired term by the Chief Executive Officer.

#### **Proposed Correction**

1. The Board of Zoning Appeals created in Article 11 Section 1 of the "Zoning Resolution of Blount County, Tennessee" shall be the same Board of Zoning Appeals for purposes of this Resolution.

**Re:** Discussion on a National Flood Insurance Program Information Exchange Visit.

---

## **Back Ground:**

In June 2009 Mr. Bart Hose conducted an information exchange visit on behalf of the National Flood Insurance Program. I have included a copy of his follow up letter to Mayor Cunningham for your review. In the letter Mr. Hose addresses a few items that should be discussed and possibly have action taken. In paragraph 4, he identifies an issue with our grading permit process as far as not requiring a grading permit for any and all grading. Then in paragraph 5 he points out some changes that may be required in the subdivision regulations in regards to subdivisions greater than fifty lots or five acres and have a portion of the land located in a flood zone. In paragraph six he notes that we need to include a TVA high water study in our regulations, but this has already been added in our new maps. Later in the paragraph he indicates that we need to clarify our regulations about how many members are in the board of appeals. See attached letter below.

RE: National Flood Insurance Program Information Exchange Visit

Dear Mayor Cunningham:

Please find enclosed a copy of the Information Exchange Visit (IEV) report that has been prepared by our office for the Federal Emergency Management Agency (FEMA). The purpose of the IEV report is to maintain communication with National Flood Insurance Program (NFIP) participant communities, identify any problems with their floodplain management programs, and offer assistance regarding their participation in the NFIP.

I recently met with Mr. Roger Fields, Blount County Building Commissioner, to conduct the IEV. This visit involved a discussion regarding the status of the county's floodplain management regulations, as adopted in your floodplain zoning resolution, and their administration. A review of the county's adopted floodplain management regulations was also conducted to determine if they meet minimum FEMA requirements.

The findings of the IEV indicate that your county's floodplain management program is generally well administered. My review and meeting with Mr. Fields found that significant efforts are being made to encourage property owners to build outside of defined flood hazard areas wherever possible. The program also appears to be coordinated with other land use and development related control efforts within the county. There were however, several administrative or regulatory issues that should be addressed within the next six months. I have discussed these issues with Mr. Fields and they are further described below.

The IEV identified two administrative issues that should be addressed to avoid potential enforcement problems and assure regulatory compliance. **The first of these relates to recent changes to the county's grading permit process. The floodplain management regulations require a permit for all development within defined flood hazard areas. This includes grading and fill activities.** Mr. Fields does enforce this regulation and permits are required when he identifies

proposed development within flood hazard areas. Unfortunately, it is my understanding that the county recently changed its overall permitting process and no longer requires a general grading permit in some areas. This change may increase the potential for floodplain violations in situations where a property owner does not know that a flood hazard area exists and is not required to obtain a permit before grading begins. The county should review its permitting process to ensure that the floodplain administrator is afforded a reasonable opportunity to fully evaluate all proposed development before it occurs.

The second administrative issue relates to the enforcement of Article V Subsection B5 of the county's floodplain management regulations. Specifically, part "d." of this subsection requires that base flood elevation data be provided for all subdivisions and other proposed developments that are greater than fifty lots or five acres in area. The requirement applies in all flood zones including unnumbered or approximate A Zones. This issue was discussed with Mr. Fields and it appears that the requirement has not been fully implemented. The issue was also discussed with representatives of the county planning office due to its relationship with the subdivision approval process. These discussions indicate that enforcement efforts have largely focused on the fifty lot threshold and that there was some confusion regarding the application of the five acre standard. It was also noted that the county planning commission now requires that all newly developed subdivision lots contain a useable building site located outside of any defined flood hazard area. While this is an excellent practice and should be maintained by the planning commission, it does not appear to fully satisfy FEMA requirements regarding the provision of base flood information. I have provided Mr. Fields with additional information regarding this issue, including a downloaded copy of FEMA Publication 265, July 1995; "Managing Floodplain Development in Approximate Zone A Areas, A Guide for Obtaining and Developing Base (100-Year) Flood Elevations". I would suggest that this document be reviewed by both Mr. Fields and the county planning office so they can better coordinate enforcement efforts.

The findings of the IEV also identified two amendments that should be made to the county's floodplain zoning resolution. The first involves formally adopting a TVA high water profile study that the administrator is currently utilizing as best available information to supplement his enforcement efforts. I have discussed this with Mr. Fields and we determined that the amendment should be made to Article III, Section B, "Basis for Establishing the Areas of Special Flood Hazard" in your county's resolution. The second involves a minor correction to Article VI Section A.1. of the resolution to clearly specify whether your Board of Appeals is a three or five member body.

Please feel free to contact me if you have any other questions regarding this report or if you have any other NFIP assistance needs.

Sincerely,

Bart Hose  
Community Planner

**RE:** Petition for Speed Bumps on Highland Road

You indicated that we would need to have an agreement from 60% of the affected residents in order to install speed bumps along a portion of Highland Road in Highland Acres. There are a total of 52 occupied addresses within that area of concern along Highland Road, from the "T" at the foot of Highland Road and around to the right, up to Argo Street. (See map, attached).

We therefore circulated a petition along that stretch, which was signed by 57 residents, occupying 38 addresses, and representing 73% of the total homes affected.

We trust this is adequate for your department to begin this work project.

The community would like to thank you for your help with this dangerous "speeding drivers" situation.

Please let us know if you require anything further.

PETITION FOR SPEED BUMPS ON HIGHLAND ROAD

We, the residents of Highland Acres, request that "speed bumps" be installed along Highland Road (from the "T" turn at the foot of the hill and bearing right along Highland). The posted speed signs (20 MPH) have no effect in slowing down speeding drivers. Our neighborhood demography has changed as more young families move here and now increased numbers of children are placed in danger by the many speeding cars along Highland Road. A number of small animals have been killed recently and we need to take steps to protect our children.

**HMIS – A History** U.S. Department of Housing and Urban Development HMIS (Homeless Management Information System) began as a grassroots effort in the mid to late 90's to use technology at the community level to improve service delivery, the Continuum of Care (CoC) process, and community planning. As this effort grew, it caught the attention of Congress. In 2001, Congress issued a directive to HUD to provide data and analysis on the extent and nature of homelessness and the effectiveness of the McKinney-Vento Act programs, including:

- Developing unduplicated counts of clients served at the local level;
- Analyzing patterns of service use; and
- Evaluating the effectiveness of these systems.

HUD responded to the directive by convening grassroots communities, technology experts, and service providers in a process to inform the development of the HMIS Data and Technical Standards (HMIS Standards) and standard methods for conducting one night counts (Point in Time).

HUD requires all McKinney-Vento funded providers the implementation of and participation in HMIS and made HMIS an eligible use of Support Housing Program (SHP) funds through the CoC Notice of Funding Availability (NOFA) process. To support this effort, HUD also implemented a National Technical Assistance component to assist communities with the details of implementation. Between 2001 and 2005, Communities begin to implement HMIS and collect data to support program evaluation, community planning, and funding requests and grant writing. Each year, HUD increases the scoring in the NOFA process for HMIS implementation progress. HUD develops and publishes the first Annual Homeless Assessment Report (AHAR) in 2007. The AHAR is a report based on the Universal Data Elements in the HMIS Standards and information from the Housing Inventory Chart that provides aggregate data from communities to HUD via excel spreadsheets. This report, along with data from CoC NOFA applications, provides data for HUD and Congress to make programmatic and funding decisions for homeless programs. Congress continues to update the directive stating in 2007 that HUD must ensure full HMIS participation by all CoC and that future CoC funding will be tied to participation in HMIS and the AHAR. HUD announces that eventually CoC participation in the AHAR will become mandatory. In the 2008 CoC NOFA, HUD increases the scoring component for HMIS implementation and use to 24 points, which effectively signaling the importance of a fully functional HMIS and the shift towards evidenced based practices. Communities are now voluntarily providing data for the AHAR report and are implementing advanced uses of technology (data warehousing, handheld devices, and GIS) and analytical processes (self-sufficiency, impacts of program models on client outcomes, effectiveness of 10-yr plans, and advocacy) to support their efforts.

## **HMIS what is it?**

HMIS means Homeless Management Information System. HMIS is a computer system that lets agencies add information and view information from other agencies on homeless situations.

This information is used to:

- run our programs
- get more money for services for homeless persons
- make it easier for homeless persons to get services
- make services for homeless persons better
- understand the needs of homeless persons better

We add your information to information we have gotten from other homeless persons. This helps us figure out what services all homeless persons need. Your Social Security Number, Name, Birthday, and other information about your situation is sent to a computer at the Maine Bureau of Information Systems. This computer is run by Maine State Housing Authority and the 3 Continuums of Care. The Continuum of Care is a group of agencies who provide services and housing to homeless persons in your area. **THE HMIS DOES NOT TRACK YOUR PERSONAL INFORMATION.** Your Social Security Number and Name are not provided to the general public, researchers, or law enforcement (unless bound by law) – it is only used to connect the services we provide to you with the services you may have received at another agency. In HMIS, you become one of many persons who are in the same situation. **NO ONE WHO IS NOT AUTHORIZED WILL KNOW YOUR NAME.** Your information is protected by the most current computer security technology and very strict confidentiality rules of our agency.

**RESOLUTION NO. 10-01-007**

**SPONSORED BY COMMISSIONER GERALD KIRBY**

**RESOLUTION FOR CONTINUED SUPPORT FOR MINIMAL TAX RATES FOR THE FISCAL YEAR 2010-2011 FOR PROPERTY OWNERS IN BLOUNT COUNTY, TENNESSEE**

**BE IT RESOLVED**, by the Board of Commissioners of Blount County, Tennessee, in session assembled the 21st day of January, 2010:

**WHEREAS**, the Blount County Board of Commissioners recognizes that its citizens are suffering during these trying economic times; and

**WHEREAS**, since taking office on September 1, 2006, the Blount County Commission has made many efforts to be good stewards of the citizen's government by keeping the annual property tax rate as low as possible, implementing policies that resulted in a more stable financial status, and by building back dangerously depleted fund balances; and

**WHEREAS**, this was accomplished while not interrupting services to the citizens as was the case in some areas of the country; and

**WHEREAS**, Blount County Commissioners wish to continue to approve reasonable tax rates for property owners in Blount County, giving our most careful attention as to not place any additional burdens on property taxpayers; and

**WHEREAS**, the tax year 2010 is a reevaluation year for Blount County property owners; and

**WHEREAS**, Blount County Commissioners support fair and just reviews of all real property in Blount County, Tennessee, however the Commission also supports making all practical effort to not increase property tax bills for its citizens.

**NOW THEREFORE BE IT RESOLVED** that the Blount County Board of Commissioners hereby requests that the Blount County Property Assessor make every effort in the upcoming property reappraisal to accurately reflect the current reduced property values; and that all officials, departments, boards and committees do everything in their power to keep budgets and taxes at a reasonable level during these difficult economic times.

**Duly authorized and approved this 21st day of January, 2010.**

NATIONAL ENDOWMENT FOR THE HUMANITIES

WASHINGTON, DC, 20506

December 3, 2009

Mrs. Jackie Glenn  
Blount County Archivist and Records Manager  
Blount County Government  
145 Hubbard School Rd.  
Maryville, TN 37803

Ref: PG-51015-10

Dear Mrs. Glenn:

I am delighted to inform you that the National Endowment for the Humanities has awarded a grant of \$6,000.00 in support of your project. Your application was considered carefully during the NEH review process, which includes peer review and specialist review along with deliberation by the National Council on the Humanities and the Office of the Chairman.

In addition, I am especially pleased to inform you that your project has been designated a National Endowment for the Humanities "We the People" project and is being supported in part by funds the agency has set aside for this special initiative. The goal of the "We the People" initiative is to encourage and strengthen the teaching, study, and understanding of American history and culture through the support of projects that explore significant events and themes in our nation's history and culture and that advance knowledge of the principles that define America. I anticipate that your project will contribute significantly to this effort.

I enclose the official notice of action from the NEH Office of Grant Management, which provides information on the grant period and the terms and conditions that apply to your project. Please review this material carefully. Address your questions either to the grants administrator or to the program officer whose names appear on the second page of the award notification.

Congratulations on your award. I wish you every success.

Sincerely,

A handwritten signature in cursive script that reads "James A. Leach".

James A. Leach  
Chairman

 Blount County Preservation Assessment

**Remarks:**

All terms and conditions that apply to this award will be considered acceptable unless a written objection is submitted within thirty days of the date of this notice. The first request for payment will indicate the recipient's acceptance of the award.

The administration of this grant and the expenditure of funds are subject to the NEH General Terms and Conditions for Awards to Organizations (May 2009). This document incorporates by reference the uniform administrative requirements for Grants and Cooperative Agreements to State and Local Governments (45 CFR Part 1174), the audit requirements of OMB Circular A-133, and the cost principles of OMB Circular A-87 (2 CFR Part 225).

This award was funded by the NEH program described in CFDA section 45.149

NEH Office of Grant Management Official

for Susan G. Daisey  
 Director, Office of Grant Management

**Award Recipient**

## BASIS OF AWARD

This grant is made in support of the activities described in the application. The project that is carried out with these grant funds must be consistent with this application.

## ENDOWMENT ADMINISTRATION OF THE AWARD

This grant has been funded by the Division of Preservation and Access. Questions relating to project activities, the scope of the project, or changes in key project personnel should be addressed to this division or by e-mail to [preservation@neh.gov](mailto:preservation@neh.gov). Questions about the regulations that apply to the grant or extensions of the grant period should be addressed to Barbara Tatge of the NEH Office of Grant Management or by e-mail to [btatge@neh.gov](mailto:btatge@neh.gov).

## SPECIFIC TERMS AND CONDITIONS

1. The budget submitted with the application is approved. As long as the scope or objectives of the project are not changed, **you do not need to ask for NEH approval to transfer funds between budget categories**. For further information, see Article 11 ("Budget Revisions") of the *General Terms and Conditions for Awards to Organizations*.

If the costs associated with your consultant's visit are less than projected in your budget, you may apply any unspent funds to the purchase of basic preservation supplies recommended by your consultant.

2. The award period shown on the Official Notice of Action is the span of time during which the grantee must undertake project activities and incur expenses chargeable to the grant.
3. The due dates for the required financial and performance reports for this award appear on the last attachment to this document. **All reports must be submitted electronically via "eGMS", the NEH's online grant management system located at <https://securegrants.neh.gov/eGMS/>.**

All NEH project directors and institutional grants administrators are assigned eGMS accounts, and their account numbers are shown next to their names on the attached Official Notice of Action.

When accessing eGMS for the first time, enter the account number provided and click the **Reset Password** button. An e-mail message will be sent to you with a link to create a new password. A User Guide containing detailed instructions is available at the above eGMS site.

4. **Final financial and performance reports will be due ninety (90) days after the award ending date, or may be submitted earlier if the project activities are complete.** The OMB Standard Form 425, *Federal Financial Report (FFR)* is required for submission of the final financial report. This form (which can be completed online) and the instructions are available at the eGMS site listed above.

The performance report should briefly describe the project activities and discuss the immediate and long-term impact of the grant on the institution's ability to preserve its holdings. Refer to NEH Performance Reporting Requirements (<http://www.neh.gov/manage/enclosure2.html>) for further instructions.

5. All materials publicizing or resulting from grant activities must contain an acknowledgment of NEH support. The acknowledgment must also include the following statement: "Any views, findings, conclusions, or recommendations expressed in this (publication) (program) (exhibition) (website) do not necessarily reflect those of the National Endowment for the Humanities." Two copies of all grant products should be forwarded to the Endowment as soon as they are available.

This project has been designated a *We the People* project. All materials publicizing or resulting from grant activities designated under the NEH's *We the People* initiative must contain an acknowledgment of NEH support. The appropriate means of acknowledging NEH support is described above.

If you so choose, you may also acknowledge in your materials your project's recognition as a *We the People* project. For information about appropriate text and graphics, please contact the Division of Preservation and Access at [preservation@neh.gov](mailto:preservation@neh.gov).

6. **To receive payment of grant funds**, the institutional grant administrator shown on the Official Notice of Action should complete the ACH Vendor/Miscellaneous Payment Enrollment Form (available at <http://www.neh.gov/grants/guidelines/pdf/NEH-ACH-form.pdf>), print a copy for signature by the certifying official, and fax to the NEH Office of Grant Management at (202) 606-8633; OR scan the signed copy and e-mail to [grantmanagement@neh.gov](mailto:grantmanagement@neh.gov). **Your NEH-assigned grant ID number (beginning with PG-) must be on the form (under "Agency Information") for prompt payment of your request.**

**SUBMISSION OF THE COMPLETED ACH VENDOR ENROLLMENT FORM WILL INDICATE THE GRANTEE'S ACCEPTANCE OF THE TERMS AND CONDITIONS OF THIS AWARD.**

The following is a listing of the due dates of the reports required for this grant. A copy of this listing should be forwarded to those individuals responsible for the submission of the required reports.

Report	Due Date	Period To Be Covered
Final Performance	09/30/2011	01/01/2010 to 06/30/2011
Final Financial	09/30/2011	01/01/2010 to 06/30/2011

All reports must be submitted electronically via "eGMS", the online grant management system located at <https://securegrants.neh.gov/eGMS/>.

All NEH project directors and institutional grants administrators are assigned eGMS accounts, and their account numbers are shown next to their names (in parentheses) on the attached Official Notice of Action.

When accessing eGMS for the first time, enter the account number provided and click the RESET PASSWORD button. An e-mail message will be sent to you with a link to create a new password. A User Guide containing detailed instructions is available at the above eGMS site.

**GRANT CONTRACT  
BETWEEN THE STATE OF TENNESSEE,  
DEPARTMENT OF MILITARY, TENNESSEE EMERGENCY MANAGEMENT AGENCY  
AND  
BLOUNT COUNTY**

This Grant Contract, by and between the State of Tennessee, Department of Military, Tennessee Emergency Management Agency, hereinafter referred to as the "State" and Blount County, hereinafter referred to as the "Grantee," is for the provision of pass through funding provided by the United States Department of Homeland Security, Homeland Security Grant Program, as further defined in the "SCOPE OF SERVICES."

Grantee Federal Employer Identification Number: 626000495

**A. SCOPE OF SERVICES:**

- A.1. The Grantee shall provide all service and deliverables as required, described, and detailed by this Scope of Services and shall meet all service and delivery timelines specified in the Scope of Services or elsewhere in this Grant Contract.
- A.2. All Federal Fiscal Year (FFY) 2009 Homeland Security Grant Program (HSGP) Grantees are required to submit an investment justification, consistent with the investments approved for Tennessee by the U.S. Department of Homeland Security (DHS), that provides background information, strategic objectives and priorities addressed, their funding/implementation plan, and the anticipated impact of each proposed investment. As part of the FFY 2009 HSGP investment justifications, Grantees are required to establish specific outcomes pursuant to the target capabilities set forth by the State's Homeland Security Strategy, and associated with their proposed investments. The Grantee also agrees to comply with the approved Initial Strategy Implementation Plan (ISIP) based upon the State's Homeland Security Strategy, which is the representation of the jurisdiction's commitment to protect citizens from the threat of terrorism through detection and prevention, and to respond to terrorist acts and catastrophic natural disasters.
- A.3. It shall be understood by the Grantee that each Grant Contract funded from the FFY 2009 HSGP will be in compliance with the FFY 2009 HSGP Guidance and the State of Tennessee's Homeland Security Strategy.
- A.4. The Grantee has provided to the State the ISIP, which will be validated by the State and approved by the U.S. Department of Homeland Security prior to the Grantee initiating purchases, training, or any other activity to be paid with these funds.
- A.5. The Grantee will provide to the State a Biannual Strategy Implementation Report (BSIR) to update the ISIP, as of the end of June (due July 15<sup>th</sup>), and the end of December (due January 15<sup>th</sup>).
- A.6. The Grantee agrees to be responsible for the sustainment of previously established homeland security efforts, as well as FFY 2009 projects. The Grantee further agrees that the federal funds received through this agreement will be used to supplement, but not to supplant any funds for local governments.
- A.7. The Grantee agrees to comply with the financial and administrative guidelines as established by the U.S. Department of Homeland Security, Office of Grants and Training, Preparedness Directorate, Office of Grant Operations (OGO) Financial Guide. The Grantee further agrees to comply with the audit requirements of the Office of Management and Budget (OMB) Circular A-133 and the standards put forth by OMB Circular A-87, which deals with cost principles for local governments.

- A.8. The Grantee supports the implementation of State Homeland Security Strategies by addressing the identified planning, equipment, training and exercise needs required to prevent, respond to, and recover from acts of terrorism. In addition, the Grantee agrees to comply with the implementation of the National Preparedness Goal and the National Response Framework (NRF).
- A.9. The Grantee will comply with the Cash Management Act and understands that no federal funds received by the Grantee may be invested in an interest bearing account.

**B. GRANT CONTRACT TERM:**

- B.1. This Grant Contract shall be effective for the period commencing on August 1, 2009 and ending on May 31, 2012. The State shall have no obligation for services rendered by the Grantee which are not performed within the specified period.
- B.2. Term Extension. The State reserves the right to extend this Grant Contract for an additional period or periods of time representing increments of no more than one year and a total contract term of no more than five (5) years, provided that such an extension of the contract term is effected prior to the current, contract expiration date by means of an amendment. If the term extension necessitates additional funding beyond that which was included in the original Grant Contract, such funding will also be effected through an amendment.

**C. PAYMENT TERMS AND CONDITIONS:**

- C.1. Maximum Liability. In no event shall the maximum liability of the State under this Grant Contract exceed one hundred ninety-eight thousand ninety-six and 02/100 (\$198,096.02). The Grant Budget, attached and incorporated herein as a part of this Grant Contract as Attachment 1, shall constitute the maximum amount due the Grantee for the service and all of the Grantee's obligations hereunder. The Grant Budget line-items include, but are not limited to, all applicable taxes, fees, overhead, and all other direct and indirect costs incurred or to be incurred by the Grantee.
- C.2. Compensation Firm. The maximum liability of the State is not subject to escalation for any reason unless amended. The Grant Budget amounts are firm for the duration of the Grant Contract and are not subject to escalation for any reason unless amended, except as provided in Section C.6.
- C.3. Payment Methodology. The Grantee shall be compensated for actual, reasonable, and necessary costs based upon the Grant Budget, not to exceed the maximum liability established in Section C.1. Upon progress toward the completion of the work, as described in Section A of this Grant Contract, the Grantee shall submit invoices prior to any reimbursement of allowable costs.
- C.4. Travel Compensation. Reimbursement to the Grantee for travel, meals, or lodging shall be subject to amounts and limitations specified in the "State Comprehensive Travel Regulations," as they are amended from time to time and shall be contingent upon and limited by the Grant Budget funding for said reimbursement.
- C.5. Invoice Requirements. The Grantee shall invoice the State no more often than monthly, with all necessary supporting documentation, to:

Tennessee Emergency Management Agency  
 3041 Sidco Drive  
 Nashville, TN 37204  
 Attn: Homeland Security Grant Program Manager

- a. Each invoice shall clearly and accurately (all calculations must be extended and totaled correctly) detail the following required information.

- (1) Invoice/Reference Number (assigned by the Grantee);
- (2) Invoice Date;
- (3) Invoice Period (period to which the reimbursement request is applicable);
- (4) Grant Contract Number (assigned by the State to this Grant Contract);
- (5) Account Name Department of Military, Tennessee Emergency Management Agency;
- (6) Account/Grantor Number (uniquely assigned by the Grantee to the above-referenced Account Name);
- (7) Grantee Name;
- (8) Grantee Federal Employer Identification Number or Social Security Number (as referenced in this Grant Contract);
- (9) Grantee Remittance Address;
- (10) Grantee Contact (name, phone, and/or fax for the individual to contact with invoice questions);
- (11) Complete Itemization of Reimbursement Requested for the Invoice Period, which shall detail, at minimum, the following:
  - i. Reimbursement Amount Requested by Grant Budget Line-Item for the invoice period (including any travel expenditure reimbursement requested in accordance with and attaching to the invoice appropriate documentation and receipts as required by the above-referenced "State Comprehensive Travel Regulations");
  - ii. Amount Reimbursed by Grant Budget Line-Item to Date;
  - iii. Total Amount Reimbursed under the Grant Contract to Date; and
  - iv. Total Reimbursement Amount Requested (all line-items) for the invoice period.

b. The Grantee understands and agrees that an invoice to the State under this Grant Contract shall:

- (1) include only reimbursement requests for actual, reasonable, and necessary expenditures required in the delivery of service described in Grant Contract Section A subject to the Grant Budget and any other provision of this Grant Contract relating to allowable reimbursements; and
- (2) not include any reimbursement requests for future expenditures.

c. The Grantee agrees that timeframe for reimbursement begins when the State is in receipt of each invoice meeting the minimum requirements above.

d. The Grantee shall complete and sign a "Substitute W-9 Form" provided to the Grantee by the State. The taxpayer identification number contained in the Substitute W-9 submitted to the State shall agree to the Federal Employer Identification Number or Social Security Number referenced in this Grant Contract for the Grantee. The Grantee shall not invoice the State under this Grant Contract until the State has received this completed form.

C.6. Budget Line-items. Expenditures, reimbursements, and payments under this Grant Contract shall adhere to the Grant Budget. The Grantee may request revisions of Grant Budget line-items by letter, giving full details supporting such request, provided that such revisions do not result in funding for a line-item that was previously funded at zero dollars (\$0.00) and do not increase the total Grant amount. Grant Budget line-item revisions may not be made without prior, written approval of the State in which the terms of the approved revisions are explicitly set forth. Any such approval shall be superseded by a subsequent revision of the Grant Budget by contract amendment, and any increase in the total Grant amount shall require a contract amendment.

- C.7. Disbursement Reconciliation and Close Out. The Grantee shall submit a final invoice and grant disbursement reconciliation report within sixty (60) days of the Grant Contract end date and in form and substance acceptable to the State.
- a. If total disbursements by the State pursuant to this Grant Contract exceed the amounts permitted by the Section C, Payment Terms and Conditions of this Grant Contract, the Grantee shall refund the difference to the State. The Grantee shall submit said refund with the final grant disbursement reconciliation report.
  - b. The State shall not be responsible for the payment of any invoice submitted to the state after the final invoice and grant disbursement reconciliation report. The State will not deem any Grantee costs submitted for reimbursement after the final invoice to be allowable and reimbursable by the State, and such invoices will NOT be paid.
  - c. The Grantee's failure to provide a final grant disbursement reconciliation report to the state as required shall result in the Grantee being deemed ineligible for reimbursement under this Grant Contract, and the Grantee shall be required to refund any and all payments by the state pursuant to this Grant Contract.
  - d. The Grantee must close out its accounting records at the end of the grant period in such a way that reimbursable expenditures and revenue collections are NOT carried forward.
- C.8. Indirect Cost. Should the Grantee request reimbursement for indirect cost, the Grantee must submit to the State a copy of the indirect cost rate approved by the cognizant federal agency and the State. The Grantee will be reimbursed for indirect cost in accordance with the approved indirect cost rate to amounts and limitations specified in the attached Grant Budget. Once the Grantee makes an election and treats a given cost as direct or indirect, it must apply that treatment consistently and may not change during the grant period. Any changes in the approved indirect cost rate must have prior approval of the cognizant federal agency and the State. If the indirect cost rate is provisional during the term of this agreement, once the rate becomes final, the Grantee agrees to remit any overpayment of funds to the State, and subject to the availability of funds the State agrees to remit any underpayment to the Grantee.
- C.9. Cost Allocation. If any part of the costs to be reimbursed under this Grant Contract are joint costs involving allocation to more than one program or activity, such costs shall be allocated and reported in accordance with the provisions of Department of Finance and Administration Policy Statement 03 or any amendments or revisions made to this policy statement during the Grant Contract period.
- C.10. Payment of Invoice. The payment of the invoice by the State shall not prejudice the State's right to object to or question any invoice or matter in relation thereto. Such payment by the State shall neither be construed as acceptance of any part of the work or service provided nor as an approval of any of the costs invoiced therein.
- C.11. Unallowable Costs. The Grantee's invoice shall be subject to reduction for amounts included in any invoice or payment theretofore made which are determined by the State, on the basis of audits or monitoring conducted in accordance with the terms of this Grant Contract, not to constitute allowable costs.
- C.12. Deductions. The State reserves the right to deduct from amounts which are or shall become due and payable to the Grantee under this or any Contract between the Grantee and the State of Tennessee any amounts which are or shall become due and payable to the State of Tennessee by the Grantee.
- C.13. Automatic Deposits. The Grantee shall complete and sign an "Authorization Agreement for Automatic Deposit (ACH Credits) Form." This form shall be provided to the Grantee by the State. Once this form has been completed and submitted to the State by the Grantee all payments to

the Grantee, under this or any other contract the Grantee has with the State of Tennessee shall be made by Automated Clearing House (ACH). The Grantee shall not invoice the State for services until the Grantee has completed this form and submitted it to the State.

**D. STANDARD TERMS AND CONDITIONS:**

- D.1. Required Approvals. The State is not bound by this Grant Contract until it is approved by the appropriate State officials in accordance with applicable Tennessee State laws and regulations.
- D.2. Modification and Amendment. This Grant Contract may be modified only by a written amendment executed by all parties hereto and approved by the appropriate Tennessee State officials in accordance with applicable Tennessee State laws and regulations.
- D.3. Termination for Convenience. The State may terminate this Grant Contract without cause for any reason. Said termination shall not be deemed a Breach of Contract by the State. The State shall give the Grantee at least thirty (30) days written notice before the effective termination date. The Grantee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the State be liable to the Grantee for compensation for any service which has not been rendered. The final decision as to the amount, for which the State is liable, shall be determined by the State. Should the State exercise this provision, the Grantee shall not have any right to any actual general, special, incidental, consequential, or any other damages whatsoever of any description or amount.
- D.4. Termination for Cause. If the Grantee fails to properly perform its obligations under this Grant Contract in a timely or proper manner, or if the Grantee violates any terms of this Grant Contract, the State shall have the right to immediately terminate the Grant Contract and withhold payments in excess of fair compensation for completed services. Notwithstanding the above, the Grantee shall not be relieved of liability to the State for damages sustained by virtue of any breach of this Grant Contract by the Grantee.
- D.5. Subcontracting. The Grantee shall not assign this Grant Contract or enter into a subcontract for any of the services performed under this Grant Contract without obtaining the prior written approval of the State. If such subcontracts are approved by the State, they shall contain, at a minimum, sections of this Grant Contract below pertaining to "Conflicts of Interest," "Lobbying," "Nondiscrimination," "Public Accountability," "Public Notice," and "Records" (as identified by the section headings). Notwithstanding any use of approved subcontractors, the Grantee shall be the prime contractor and shall be responsible for all work performed.
- D.6. Conflicts of Interest. The Grantee warrants that no part of the total Grant Amount shall be paid directly or indirectly to an employee or official of the State of Tennessee as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Grantee in connection with any work contemplated or performed relative to this Grant Contract.
- D.7. Lobbying. The Grantee certifies, to the best of its knowledge and belief, that:
- a. No federally appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
  - b. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a

Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this contract, grant, loan, or cooperative agreement, the Grantee shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

- c. The Grantee shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into and is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, *U.S. Code*.

- D.8. Nondiscrimination. The Grantee hereby agrees, warrants, and assures that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of this Grant Contract or in the employment practices of the Grantee on the grounds of disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal, Tennessee State constitutional, or statutory law. The Grantee shall, upon request, show proof of such nondiscrimination and shall post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.

- D.9. Public Accountability. If the Grantee is subject to *Tennessee Code Annotated*, Title 8, Chapter 4, Part 4 or if this Grant Contract involves the provision of services to citizens by the Grantee on behalf of the State, the Grantee agrees to establish a system through which recipients of services may present grievances about the operation of the service program, and the Grantee shall display in a prominent place, located near the passageway through which the public enters in order to receive Grant supported services, a sign at least twelve inches (12") in height and eighteen inches (18") in width stating:

NOTICE: THIS AGENCY IS A RECIPIENT OF TAXPAYER FUNDING. IF YOU OBSERVE AN AGENCY DIRECTOR OR EMPLOYEE ENGAGING IN ANY ACTIVITY WHICH YOU CONSIDER TO BE ILLEGAL, IMPROPER, OR WASTEFUL, PLEASE CALL THE STATE COMPTROLLER'S TOLL-FREE HOTLINE: 1-800-232-5454

- D.10. Public Notice. All notices, informational pamphlets, press releases, research reports, signs, and similar public notices prepared and released by the Grantee shall include the statement, "This project is funded under an agreement with the Department of Military, Tennessee Emergency Management Agency." Any such notices by the Grantee shall be approved by the State.
- D.11. Licensure. The Grantee and its employees and all sub-grantees shall be licensed pursuant to all applicable federal, state, and local laws, ordinances, rules, and regulations and shall upon request provide proof of all licenses.
- D.12. Records. The Grantee (and any approved subcontractor) shall maintain documentation for all charges under this Contract. The books, records, and documents of the Grantee (and any approved subcontractor), insofar as they relate to work performed or money received under this Contract, shall be maintained for a period of three (3) full years from the date of the final payment and shall be subject to audit at any reasonable time and upon reasonable notice by the state agency, the Comptroller of the Treasury, or their duly appointed representatives. The records of not-for-profit entities shall be maintained in accordance with the *Accounting Manual for the Recipients of Grant Funds in the State of Tennessee*, published by the Tennessee Comptroller of the Treasury (available at <http://comptroller.state.tn.us/ma/nonprofit/nonprofit1.pdf>). The financial statements shall be prepared in accordance with generally accepted accounting principles.
- D.13. Prevailing Wage Rates. All grants and contracts for construction, erection, or demolition or to install goods or materials that involve the expenditure of any funds derived from the State require

compliance with the prevailing wage laws as provided in *Tennessee Code Annotated*, Section 12-4-401 *et seq.*

- D.14. Monitoring. The Grantee's activities conducted and records maintained pursuant to this Grant Contract shall be subject to monitoring and evaluation by the State, the Comptroller of the Treasury, or their duly appointed representatives.
- D.15. Progress Reports. The Grantee shall submit brief, periodic, progress reports to the State as requested.
- D.16. Annual Report and Audit. The Grantee shall prepare and submit, within nine (9) months after the close of the reporting period, an annual report of its activities funded under this Grant Contract to the commissioner or head of the Granting agency, the Tennessee Comptroller of the Treasury, and the Commissioner of Finance and Administration. The annual report for any Grantee that receives five hundred thousand dollars (\$500,000) or more in aggregate federal and state funding for all its programs shall include audited financial statements. All books of account and financial records shall be subject to annual audit by the Tennessee Comptroller of the Treasury or the Comptroller's duly appointed representative. When an audit is required, the Grantee may, with the prior approval of the Comptroller, engage a licensed independent public accountant to perform the audit. The audit contract between the Grantee and the licensed independent public accountant shall be on a contract form prescribed by the Tennessee Comptroller of the Treasury. Any such audit shall be performed in accordance with generally accepted government auditing standards, the provisions of OMB Circular A-133, if applicable, and the *Audit Manual for Governmental Units and Recipients of Grant Funds* published by the Tennessee Comptroller of the Treasury. The Grantee shall be responsible for reimbursement of the cost of the audit prepared by the Tennessee Comptroller of the Treasury, and payment of fees for the audit prepared by the licensed independent public accountant. Payment of the audit fees of the licensed independent public accountant by the Grantee shall be subject to the provisions relating to such fees contained in the prescribed contract form noted above. Copies of such audits shall be provided to the designated cognizant state agency, the State Granting Department, the Tennessee Comptroller of the Treasury, and the Department of Finance and Administration and shall be made available to the public.
- D.17. Procurement. If the other terms of this Grant Contract allow reimbursement for the cost of goods, materials, supplies, equipment, and/or contracted services, such procurement shall be made on a competitive basis, including the use of competitive bidding procedures, where practical. The Grantee shall maintain documentation for the basis of each procurement for which reimbursement is paid pursuant to this Grant Contract. In each instance where it is determined that use of a competitive procurement method was not practical, said documentation shall include a written justification for such decision and non-competitive procurement. Further, if such reimbursement is to be made with funds derived wholly or partially from federal sources, the determination of cost shall be governed by and reimbursement shall be subject to the Grantee's compliance with applicable federal procurement requirements.
- The Grantee shall obtain prior approval from the State before purchasing any equipment under this Grant Contract.
- D.18. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this agreement shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.
- D.19. Independent Contractor. The parties hereto, in the performance of this Grant Contract, shall not act as employees, partners, joint venturers, or associates of one another. It is expressly acknowledged by the parties hereto that such parties are independent contracting entities and that nothing in this Grant Contract shall be construed to create a principal/agent relationship or to

allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

The Grantee, being a political subdivision of the State, is governed by the provisions of the Tennessee Government Tort Liability Act, *Tennessee Code Annotated*, Sections 29-20-101 *et seq.*, for causes of action sounding in tort. Further, no contract provision requiring a Tennessee political entity to indemnify or hold harmless the State beyond the liability imposed by law is enforceable because it appropriates public money and nullifies governmental immunity without the authorization of the General Assembly.

- D.20. State Liability. The State shall have no liability except as specifically provided in this Grant Contract.
- D.21. Force Majeure. The obligations of the parties to this Grant Contract are subject to prevention by causes beyond the parties' control that could not be avoided by the exercise of due care including, but not limited to, natural disasters, riots, wars, epidemics, or any other similar cause.
- D.22. State and Federal Compliance. The Grantee shall comply with all applicable state and federal laws and regulations in the performance of this Grant Contract.
- D.23. Governing Law. This Grant Contract shall be governed by and construed in accordance with the laws of the State of Tennessee. The Grantee agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Grant Contract. The Grantee acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising there from, shall be subject to and limited to those rights and remedies, if any, available under *Tennessee Code Annotated*, Sections 9-8-101 through 9-8-407.
- D.24. Completeness. This Grant Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. This Grant Contract supersedes any and all prior understandings, representations, negotiations, and agreements between the parties relating hereto, whether written or oral.
- D.25. Severability. If any terms and conditions of this Grant Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions hereof shall not be affected thereby and shall remain in full force and effect. To this end, the terms and conditions of this Grant Contract are declared severable.
- D.26. Headings. Section headings are for reference purposes only and shall not be construed as part of this Grant Contract.

E. **SPECIAL TERMS AND CONDITIONS:**

- E.1. Conflicting Terms and Conditions. Should any of these special terms and conditions conflict with any other terms and conditions of this Grant Contract, these special terms and conditions shall control.
- E.2. Communications and Contacts. All instructions, notices, consents, demands, or other communications required or contemplated by this Grant Contract shall be in writing and shall be made by certified, first class mail, return receipt requested and postage prepaid, by overnight courier service with an asset tracking system, or by EMAIL or facsimile transmission with recipient confirmation. Any such communications, regardless of method of transmission, shall be addressed to the respective party at the appropriate mailing address, facsimile number, or EMAIL.

address as set forth below or to that of such other party or address, as may be hereafter specified by written notice.

The State:

Cindy Hopkins, Program Manager  
Tennessee Emergency Management Agency  
3041 Sidco Drive  
Nashville, TN 37204  
chopkins@tnema.org  
Telephone #: (615) 253-3108  
FAX #: (615) 242-6630

The Grantee:

Blount County  
Courthouse  
341 Court Street  
Maryville, TN 37804  
acowden@blounttn.org  
Telephone #: (865) 273-5700  
FAX #: (865) 273-5832

The Point of Contact:

Kathy Shields, Director  
Blount County County EMA  
341 Court Street  
Maryville, TN 37804  
bastinnett@blounttn.org  
Telephone #: (865) 273-5837  
FAX #: (865) 273-5839

All instructions, notices, consents, demands, or other communications shall be considered effectively given upon receipt or recipient confirmation as may be required.

- E.3. Subject to Funds Availability. The Grant Contract is subject to the appropriation and availability of State and/or Federal funds. In the event that the funds are not appropriated or are otherwise unavailable, the State reserves the right to terminate the Grant Contract upon written notice to the Grantee. Said termination shall not be deemed a breach of Contract by the State. Upon receipt of the written notice, the Grantee shall cease all work associated with the Grant Contract. Should such an event occur, the Grantee shall be entitled to compensation for all satisfactory and authorized services completed as of the termination date. Upon such termination, the Grantee shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.
- E.4. Voluntary Buyout Program. The Grantee acknowledges and understands that, for a period of two years beginning August 16, 2008, restrictions are imposed on former state employees who received a State of Tennessee Voluntary Buyout Program (VBP) severance payment with regard to contracts with state agencies that participated in the VBP.
- a. The State will not contract with either a former state employee who received a VBP severance payment or an entity in which a former state employee who received a VBP severance payment or the spouse of such an individual holds a controlling financial interest:

- b. The State may contract with an entity with which a former state employee who received a VBP severance payment is an employee or an independent contractor. Notwithstanding the foregoing, the Grantee understands and agrees that there may be unique business circumstances under which a return to work by a former state employee who received a VBP severance payment as an employee or an independent contractor of a State grantee would not be appropriate, and in such cases the State may refuse Grantee personnel. Inasmuch, it shall be the responsibility of the State to review Grantee personnel to identify any such issues.
- c. With reference to either subsection a. or b. above, a grantee may submit a written request for a waiver of the VBP restrictions regarding a former state employee and a contract with a state agency that participated in the VBP. Any such request must be submitted to the State in the form of the *VBP Contracting Restriction Waiver Request* format available from the State and the Internet at: [www.state.tn.us/finance/rds/ocr/waiver.html](http://www.state.tn.us/finance/rds/ocr/waiver.html). The determination on such a request shall be at the sole discretion of the head of the state agency that is a Party to this Grant Contract, the Commissioner of Finance and Administration, and the Commissioner of Human Resources.
- E. 5. Charges to Service Recipients Prohibited. The Grantee shall not collect any amount in the form of fees or reimbursements from the recipients of any service provided pursuant to this Grant Contract.
- E.6. State Interest in Equipment. The Grantee shall take legal title to all equipment and to all motor vehicles, hereinafter referred to as "equipment," purchased totally or in part with funds provided under this Grant Contract, subject to the State's equitable interest therein, to the extent of its *pro rata* share, based upon the State's contribution to the purchase price. "Equipment" shall be defined as an article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds \$5,000.00.

As authorized by the provisions of the terms of the Tennessee Uniform Commercial Code — Secured Transaction, found at Title 47, Chapter 9 of the *Tennessee Code Annotated*, and the provisions of the Tennessee Motor Vehicle Title and Registration Law, found at Title 55, Chapter 1 of the *Tennessee Code Annotated*, an intent of this Grant document and the parties hereto is to create and acknowledge a security interest in favor of the State in the equipment and/or motor vehicles acquired by the Grantee pursuant to the provisions of this Grant document. A further intent of this Grant document is to acknowledge and continue the security interest in favor of the State in the equipment or motor vehicles acquired by the Grantee pursuant to the provisions of this program's prior year Grants between the State and the Grantee.

The Grantee hereto grants the State a security interest in said equipment. This agreement is intended to be a security agreement pursuant to the Uniform Commercial Code for any of the equipment herein specified which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code, and the Grantee hereby grants the State a security interest in said equipment. The Grantee agrees that the State may file this Grant Contract or a reproduction thereof, in any appropriate office, as a financing statement for any of the equipment herein specified. Any reproduction of this or any other security agreement or financing statement shall be sufficient as a financing statement. In addition, the Grantee agrees to execute and deliver to the State, upon the State's request, any financing statements, as well as extensions, renewals, and amendments thereof, and reproduction of this Grant Contract in such form as the State may require to perfect a security interest with respect to said equipment. The Grantee shall pay all costs of filing such financing statements and any extensions, renewals, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements the State may reasonably require. Without the prior written consent of the State, the Grantee shall not create or suffer to be created pursuant to the Uniform Commercial Code any other security interest in said equipment, including replacements and additions thereto. Upon the Grantee's breach of any covenant or agreement contained in this Grant Contract,

including the covenants to pay when due all sums secured by this Grant Contract, the State shall have the remedies of a secured party under the Uniform Commercial Code and, at the State's option, may also invoke the remedies herein provided.

The Grantee agrees to be responsible for the accountability, maintenance, management, and inventory of all property purchased totally or in part with funds provided under this Grant Contract. The Grantee shall maintain a perpetual inventory system for all equipment purchased with funds provided under this Grant Contract and shall submit an inventory control report which must include, at a minimum, the following:

- a. Description of the equipment;
- b. Manufacturer's serial number or other identification number, when applicable;
- c. Consecutive inventory equipment tag identification;
- d. Acquisition date, cost, and check number;
- e. Fund source, State grant number, or other applicable fund source identification;
- f. Percentage of state funds applied to the purchase;
- g. Location within the Grantee's operations where the equipment is used;
- h. Condition of the property or disposition date if Grantee no longer has possession;
- i. Depreciation method, if applicable; and
- j. Monthly depreciation amount, if applicable.

The Grantee shall tag equipment with an identification number which is cross referenced to the equipment item on the inventory control report. The Grantee shall inventory equipment annually. The Grantee must compare the results of the inventory with the inventory control report and investigate any differences. The Grantee must then adjust the inventory control report to reflect the results of the physical inventory and subsequent investigation.

The Grantee shall submit its inventory control report of all equipment purchased with funding through this grant within sixty (60) days of the Grant Contract end date and in form and substance acceptable to the State. This inventory control report shall contain, at a minimum, the requirements specified above for inventory control. The Grantee shall notify the State, in writing, of any equipment loss describing reason(s) for the loss. Should the equipment be destroyed, lost, or stolen, the Grantee shall be responsible to the State for the *pro rata* amount of the residual value at the time of loss based upon the State's original contribution to the purchase price.

Upon termination of the Grant Contract, where a further contractual relationship is not entered into, or at another time during the term of the Grant Contract, the Grantee shall request written approval from the State for any proposed disposition of equipment purchased with Grant funds. All equipment shall be disposed of in such a manner as parties may agree from among alternatives approved by Tennessee Department of General Services as appropriate and in accordance with any applicable federal laws or regulations.

- E.7. Confidentiality of Records. Strict standards of confidentiality of records and information shall be maintained in accordance with applicable state and federal law. All material and information, regardless of form, medium or method of communication, provided to the Grantee by the State or acquired by the Grantee on behalf of the State shall be regarded as confidential information in accordance with the provisions of applicable state and federal law, state and federal rules and regulations, departmental policy, and ethical standards. Such confidential information shall not be disclosed, and all necessary steps shall be taken by the Grantee to safeguard the confidentiality of such material or information in conformance with applicable state and federal law, state and federal rules and regulations, departmental policy, and ethical standards.

The Grantee's obligations under this section do not apply to information in the public domain; entering the public domain but not from a breach by the Grantee of this Grant Contract; previously possessed by the Grantee without written obligations to the State to protect it; acquired by the Grantee without written restrictions against disclosure from a third party which, to the

Grantee's knowledge, is free to disclose the information; independently developed by the Grantee without the use of the State's information; or, disclosed by the State to others without restrictions against disclosure. Nothing in this paragraph shall permit Grantee to disclose any information that is confidential under federal or state law or regulations, regardless of whether it has been disclosed or made available to the Grantee due to intentional or negligent actions or inactions of agents of the State or third parties.

It is expressly understood and agreed the obligations set forth in this section shall survive the termination of this Grant Contract.

- E.8. Work Papers Subject to Review. The Grantee shall make all audit, accounting, or financial analysis work papers, notes, and other documents available for review by the Comptroller of the Treasury or his representatives, upon request, during normal working hours either while the analysis is in progress or subsequent to the completion of this Grant Contract.
- E.9. Certification Regarding Drug-Free Workplace Requirements. This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988, 28 CFR Part 67, Subpart F. The regulations, published in the January 31, 1989 Federal Register, require certification by grantees, prior to award, that they will maintain a drug-free workplace. The certification set out below is a material representation of fact upon which reliance will be placed when the agency determines to award the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government-wide suspension or debarment, (See 28 CFR Part 67, Subpart C 13.300 and Subpart D 13.400).

The grantee certifies that it will provide a drug-free workplace by:

- a. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
- b. Establishing a drug-free awareness program to inform employees about:
  - (1) The dangers of drug abuse in the workplace;
  - (2) The grantee's policy of maintaining a drug-free workplace;
  - (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
  - (4) The penalties that may be imposed upon employees for drug abuse violations in the workplace;
- c. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (E.9.a.);
- d. Notifying the employee in the statement required by paragraph (E.9.a.) that, as a condition of employment under the grant, the employee will:
  - (1) Abide by the terms of the statement; and
  - (2) Notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction;
- e. Notifying the agency within ten days after receiving notice under subparagraph [E.9.d.(2)], from an employee or otherwise receiving actual notice of such conviction;
- f. Taking one of the following actions, within 30 days of receiving notice under subparagraph [E.9.d.(2)], with respect to any employee who is convicted.
  - (1) Taking appropriate personnel action against such an employee, up to and including termination; or

- (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
- g. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (E.9.a.), (E.9.b.), (E.9.c.), (E.9.d.), (E.9.e.), (E.9.f.), and (E.9.g.).
- E.10. Environmental Tobacco Smoke. Pursuant to the provisions of the federal "Pro-Children Act of 1994" and the Tennessee "Children's Act for Clean Indoor Air of 1995," the Grantee shall prohibit smoking of tobacco products within any indoor premises in which services are provided to individuals under the age of eighteen (18) years. The Grantee shall post "no smoking" signs in appropriate, permanent sites within such premises. This prohibition shall be applicable during all hours, not just the hours in which children are present. Violators of the prohibition may be subject to civil penalties and fines. This prohibition shall apply to and be made part of any subcontract related to this Grant Contract.
- E.11. Grantee Participation. Grantee Participation amounts detailed in the Grant Budget are intended as a goal for the total project, and the amount of actual Grantee Participation expenditures will not impact the maximum amounts reimbursable to the Grantee as detailed by the Grant Budget column, "Grant Contract."
- E.12. Compliance With Title VI of the Civil Rights Act of 1964. The Grantee agrees to comply with the provisions contained in Title VI of the 1964 Civil Rights Act (42 U.S.C. 2000d), and any federal regulations specific to the funding of this grant. The Grantee further agrees to complete and return a self-compliance report as provided by the Grantor.
- E.13. Compliance With National Incident Management System (NIMS). The Grantee will be in compliance with NIMS Standards established by the U.S. Department of Homeland Security and the Federal Emergency Management Agency authorized by Homeland Security Presidential Directive 08 (HSPD-08). The Grantee agrees that it has met NIMS compliance standards. The Grantee further agrees to complete within the announced suspense date the National Incident Management System Compliance Assistance Support Tool (NIMSCAST) report or provide any Correction Action Plan report for items not meeting compliance. The report and any suspense dates are provided by NIMSCAST at <http://www.fema.gov/nimscast/index.jsp>. The compliance items are in the Resources box under Metrics/Legacy Assessment (pdf). The Grantee will use the current year and the NIMS Implementation Matrix for Tribal and Local Jurisdictions.

REQUEST FOR BUDGET INCREASE/DECREASE  
Fiscal Year 2009-2010**

Fund Number 101 Cost Center Number 55120  
 Fund Name General Cost Center Name Animal Control

	ACCOUNT NUMBER	ACCOUNT NAME	AMOUNT
Appropriation:	101-055120-500189-0	Other salaries & Wages	9,750.00
	101-055120-500189-0	Part-time Personnel	11,000.00
	101-055120-500201-0	Social Security	1,287.00
	101-055120-500204-0	State Retirement	2,130.00
	101-055120-500206-0	Employee Insurance - Life	41.00
	Total Appropriation:		24,208.00

	ACCOUNT NUMBER	ACCOUNT NAME	AMOUNT
Estimated Revenue:	101-0-486100-0	Contributions - Citizens Groups	8,000.00
	101-0-481300-0	Contributions - Louisville	20,000.00
	101-0-449902-0	Other Revenues - Adoption Fees	38,000.00
	Total Estimated Revenue:		66,000.00

Reason for requested increase/decrease:

Copy of receipt of \$8,000 from Smoky Mtn. Animal Care Foundation is attached. City of Louisville revenue estimate is an estimate at this time.  
 City officials from Town of Louisville have committed to these funds; however, they have yet to be released. Adoption fees are estimated at  
 75 animals per month @ \$85/animal which would gross @ \$38,000. The other contracted services is the payment of vet bills which is \$60/animal  
 at 75 animals per month for a total of \$27,000.

Note:  
 Total appropriation  
 must agree with total  
 estimated revenue.

---

Mr. Jerry Cunningham  
Mayor of Blount County  
Blount County Court House  
341 Court Street  
Maryville, TN 37804

12/2/09

Dear Jerry,

Thank you for attending our Board Meeting Monday evening. We are delighted with the early returns and realize the challenges that lay ahead.

The board approved a donation of \$8,000 the remaining balance of our undeclared funds, to your Operating Expenses. As we discussed due to the unpredictable nature of fundraising we can not guarantee funds for a reoccurring expense but hope this helps bridge the gap in the budget where possible.

Thanks again Jerry for your hard work.

Sincerely,

Chris Protzman  
President  
Smoky Mountain Animal Care Foundation

**Project Summary:**

The primary goals of the Blount Energy Efficiency and Greening (BEE-Green) Program are to reduce energy consumption and green house gas emissions throughout the county through implementation of many policies and activities, including building retrofits and community education.

The purpose of this activity, Energy Efficiency and Conservation Programs for Buildings and Facilities, is to create a program, based on energy efficiency in building operations and maintenance, that can be applied to multiple municipal buildings in the Blount County jurisdiction over time, to implement that program at the Blount County Justice Center, and to develop an education plan to increase awareness of energy efficiency & conservation techniques, technologies, & best building operating practices to Blount County businesses and residents.

The goals and objectives of the project are:

- to reduce the energy consumption of Blount County municipal buildings (through implementation of the BEE-Green Program) by 15% each, where possible, thus reducing green house gas emissions,
- to design a program that will create funding for future municipal building energy efficiency retrofits (through energy savings), and
- to create a program, using results from the municipal building retrofits, that will raise general awareness and educate local Blount County residents and businesses about the importance of reducing energy consumption and

**Project Summary:**

The primary goals of the Blount Energy Efficiency and Greening (BEE-Green) Program are to reduce energy consumption and green house gas emissions throughout the county through implementation of many policies and activities, including building retrofits and community education.

The purpose of this activity, Development and Implementation of Transportation Programs, is to create a program with the goal of reducing emissions caused by the Blount County vehicle fleet. This calls for replacing the existing, low efficiency vehicles with hybrid and/or clean diesel vehicles. Blount County proposes to use a portion of the EECBG funding to begin the program by replacing the first of many fleet vehicles.

The existing vehicle gets an average of 11 miles per gallon. The proposed hybrid/clean diesel vehicle is predicted to get about 20 miles per gallon in the city and approximately 21 miles per gallon on the highway. This could potentially save approximately 337 gallons per year. Due to the nature of this project, no direct kWh's are saved. And, when data is entered into the EECBG Estimated Benefits Calculator, no GHG reduction is calculated. However, based on the reduction of gas usage, there is an estimated CO2 reduction of approximately 3.27 tons per year for one vehicle replacement.

The costs associated with this project are comprised of:

**Project Summary:**

The primary goals of the Blount Energy Efficiency and Greening (BEE-Green) Program are to reduce energy consumption and green house gas emissions throughout the county through implementation of many policies and activities, including building retrofits and community education.

The purpose of this activity, Energy Efficiency Retrofits, is to begin a chain reaction of working to reduce the overall energy consumption of Blount County municipal buildings (other than schools). Blount County has formerly employed an ESCO, to analyze the energy consumption of the county schools. This did not include the other municipal buildings, Blount County has chosen to apply the Energy Efficiency and Conservation Block Grants (EECBG) to develop a program/plan to address those remaining buildings.

To begin the building retrofits, Blount County has chosen to use a portion of the EECBG funding allocated to perform energy efficiency retrofits to the Blount County Justice Center. This building is an eleven year old building. Being a facility that operates twenty four hours a day, seven days a week, it consumes a tremendous amount of energy. This is reason to ensure that it is as efficient as possible.

Using the EECBG funding, the Justice Center will undergo several energy efficient retrofits including (but not limited to):

**Project Summary:**

The primary goals of the Blount Energy Efficiency and Greening (BEE-Green) Program are to reduce energy consumption and green house gas emissions throughout the county through implementation of many policies and activities, including building retrofits and community education.

As stated in the Building Retrofit Activity Worksheet, Blount County hopes to begin a chain reaction of working to reduce the overall energy consumption of Blount County municipal buildings (other than schools). Blount County chose to begin the building retrofits with the Justice Center.

In efforts to supplement the high efficiency technologies of the Justice Center, Blount County chose to also have a solar thermal water heating system installed. The purpose of this activity, Onsite Renewable Technology, is to compliment the energy efficiency retrofits at the Blount County Justice Center and to offset approximately 3% of the energy consumption of the building. When data is entered into the EECBG Estimated Benefits Calculator, no kWh or GHG reductions are calculated. However, based on our 3% goal, energy savings should be equivalent to approximately 446,711,209 total annual Btu's. In addition, this should prevent 26.2 tons of CO2 emissions annually.

The costs associated with this project are comprised of:

Grant Search: \_\_\_\_\_ Grant #: SC0002403 Grantee: Blount County Government

**Strategy**

Date Approved: 9/21/2009

1. Describe your government's proposed Energy Efficiency and Conservation Strategy. Provide a concise summary of your measureable goals and objectives, which should be aligned with the defined purposes and eligible activities of the EECBG Program. These goals and objectives should be comprehensive and maximize benefits community-wide. Provide a schedule or timetable for major milestones. If your government has an existing energy, climate, or other related strategy please describe how these strategies relate to each other.

Blount County's intended use of the EECBG funds aligns with their existing goals regarding region-wide energy efficiency. Blount County has been involved in the East Tennessee Regional Clean Air Coalition since its inception in December of 2003. The goals of the organization are to reduce energy & improve air quality. Blount County has made efforts in energy & climate initiatives including hiring an ESCO for the Blount County School System. Various energy efficient retrofits have been made to existing schools as well as a geothermal system installation in one of the new schools. The EECBG funding will aid in expanding the energy & climate efforts to municipal buildings outside the school system.

The Blount Energy Efficiency and Greening Program (BEE-Green) has several integrated goals. These goals are to develop a program to decrease the energy consumption & emissions of Blount County municipal buildings, to implement that program at the Blount County Justice Center, and to develop an education plan to increase awareness of energy efficiency & conservation techniques, technologies, & best building operating practices to Blount County businesses and residents.

2. Describe your government's proposed implementation plan for the use of EECBG Program funds to assist you in achieving the goals and objectives outlined in the strategy describe in question #1. Your description should include a summary of the activities submitted on your activity worksheets, and how each activity supports one or more of your strategy's goals/objectives.

The first step of the BEE-Green Program implementation is to utilize a portion of the funds to make energy efficient retrofits and the install solar thermal as a renewable energy source for the Blount County Justice Center. This also includes hiring a consultant to create an energy efficiency focused operations and maintenance plan tailored to the building. The Operations and Maintenance portion of the BEE-Green Program that is applied to the Justice Center will use LEED documentation requirements as a program model. In time, if budget allows, Blount County intends to pursue LEED-EB 2009 Certification for the Justice Center.

- These retrofits will include (but are not limited to):
- Installation of lighting occupancy sensors in offices and common areas such as restrooms and breakrooms,
  - Installation of more efficient water fixtures such as low flow shower heads and aerators ,
  - Installation of a solar thermal (renewable energy) system.

The BEE-Green Program will include (but will not be limited to) actions such as:

3. Describe how your government is taking into account the proposed implementation plans and activities for use of funds by adjacent units of local government that are grant recipients under the Program (response not mandatory for Indian Tribes).

Blount County Government currently holds a monthly Commission Meeting. These meetings are open to the public. Throughout the BEE-Green Program, an Executive Summary will be completed in effort to inform/update other surrounding EECBG funding recipients (Knox County, the City of Knoxville, and Sevier County). They will include key information such as; project milestones, current project status, funding spent to date, and savings resulting from the project. The review and discussion of these Executive Summaries will be added as an agenda item, as appropriate at project milestones, to the Commissioning meeting agendas. These Executive Summaries, along with an announcement of the Commission Meeting, will be communicated to the other local funding recipients (Knox County, the City of Knoxville, and Sevier County).

Blount County Government also currently holds a monthly Mayor's Meeting. This meeting typically includes Mayors of the City of Maryville, the City of Alcoa and Blount County. The BEE-Green Program will be added as an item to the agenda for these meetings, as appropriate at project milestones.

4. Describe how your government will coordinate and share information with the state in which you are located regarding activities carried out with grant funds to maximize energy efficiency and conservation benefits (response not mandatory for Indian Tribes).

Blount County intends to use the required ARRA Performance Progress Reports as a format for quarterly updates for the state of Tennessee. The reports will include information such as the definition of each project, project completion status, investments made with purpose, total cost, rationale, and projected outcome of investment. The reports will be submitted to the state through the Tennessee Energy Office. Also, members of the Tennessee Energy Office will be invited to the monthly Blount County Commission meetings.

5. Describe how this strategy has been designed to ensure that it sustains benefits beyond the EECBG funding period.

The BEE-Green Program is designed to sustain the benefits of the funds beyond the funding period in several ways:

- The installation of energy efficient retrofits and renewable energy at the Blount County Justice Center will have a monetary and environmental benefit throughout the life of the new systems.
- The BEE-Green Program is intended to be implemented over time at all municipal buildings, thereby having a long term benefit for Blount County.
- The BEE-Green Program will include a plan to utilize energy savings dollars for future energy efficient capital improvements.
- Finally, the benefits of the EECBG funding will be sustained beyond the funding period through an education program which will highlight the BEE-Green Program and the municipal building retrofits as an example to local residents and businesses. Blount County will offer educational tours of the buildings to teach Blount County residents and businesses about methods of reducing energy consumption. The program will include education and expectations for Blount County employees with regard to energy savings and recycling. Blount County will also offer presentations to local

6. The President has made it clear that every taxpayer dollar spent on our economic recovery must be subject to unprecedented levels of transparency and accountability. Describe the auditing or monitoring procedures currently in place or that will be in place (by what date), to ensure funds are used for authorized purposes and every step is taken to prevent instances of fraud, waste, error, and abuse.

Blount County already posts construction project spending invoices online. They will continue to do this, but will create an area on the web site which contains only the invoices for the EECBG activities. As well, the project will have its own account balance sheet within the Finance Department accounting system. Every project transaction will be internally audited by four people: the deputy of finance, staff accountant, administrative assistant, and, finally, the Accountant Manager.

These invoices will also be closely monitored by the Blount County Finance Department and the State of Tennessee Comptrollers Office.

Blount County will also publish a series of updates in the local newspaper, which will include tasks and funding spent to date.

**Tennessee Consolidated Retirement System**

A RESOLUTION to authorize and appropriate funds for an actuarial study of the cost(s) associated with participation of a joint venture in the Tennessee Consolidated Retirement System in accordance with Title 8, Section 34 through 37 of the Tennessee Code Annotated.

**RESOLUTION NO. 10-01-015  
Sponsored by Commissioners Steve Samples and Mike Lewis**

WHEREAS, the Tennessee Code Annotated Section 8-35-201 permits a joint venture to petition the Board of Trustees of the Tennessee Consolidated Retirement System for participation into said system; and

WHEREAS, Industrial Development Board of Blount County and the Cities of Alcoa and Maryville desires to consider the cost(s) of such coverage

(Name of Joint Venture)

effective for all its employees in all of its departments or instrumentalities prior to the final authorization of said coverage; and

WHEREAS, the determination of said cost(s) requires the service of an actuary, the cost of said actuarial study is required to be paid by the joint venture; and all public entities responsible for the direct funding of the said joint venture must approve these provisions.

NOW, THEREFORE BE IT RESOLVED, That the

(Name of Governing Body)

Industrial Development Board of Blount County and the Cities of Alcoa and Maryville hereby authorizes and appropriates funds for an actuarial study of the

(Name of Joint Venture)

cost(s) of participation for said employees in the Tennessee Consolidated Retirement System pursuant to Tennessee Code Annotated Section 8-35-201; and

1. The actuarial study shall include ;
  - xxx A. The employer will not purchase prior service, but said employer will accept the unfunded liability if the employee should elect to establish up to **six** months of prior service.
  - xxx B. The employer will not purchase prior service, but said employer will accept the unfunded liability if the employee should elect to establish up to **nine** months of prior service.
2. The political subdivision has the option of providing retirement coverage for part-time employees and hereby chooses to Exclude such part-time employees from the actuarial study.
3. There is hereby appropriated from the general funds such amount required to pay for the cost of said actuarial study.
4. Upon receipt of the determination of such study, the Industrial Development Board of Blount County and the Cities of Alcoa and Maryville

- (Name of Joint Venture)

is hereby authorized and directed to pay the cost said study from the funds herein above appropriated, to the Tennessee Consolidated Retirement System or as directed by the Board of Trustees of said system.

R054FS03

RESOLUTION NO. 10-01-008

SPONSORED BY COMMISSIONERS STEVE SAMPLES AND MIKE LEWIS

**A RESOLUTION CLASSIFYING THE ROADS OF BLOUNT COUNTY, TENNESSEE  
ACCORDING TO TENNESSEE CODE ANNOTATED 54-10-103 et.seq.**

**WHEREAS**, the Board of County Commissioners of Blount County, Tennessee, is required to classify the public roads of Blount County, Tennessee, and to provide for a record of said classification of public roads of Blount county, Tennessee, in the office of the County Clerk for Blount County, Tennessee, in accordance with 54-10-103 et. seq. of Tennessee code Annotated.

**WHEREAS**, at the October, 1975, meeting of the Blount County Legislative Body, an Official List of County Roads was adopted and has periodically been amended since that time to reflect changes occasioned by the addition and deletion of certain roads on the List by action of the Blount County Legislative Body; and,

**WHEREAS**, the Official List of County Roads must be updated on a regular interval to include those new roads constructed to a standard approved by a local planning commission for addition to the Official List of County Roads; and

**WHEREAS**, a separate listing of those new roads constructed during the past year to a standard approved by a local planning commission for addition to the Official List of County Roads is included herein as **EXHIBIT "A"** for reference; and,

**WHEREAS**, a separate listing of other revisions and changes occasioned by normal administrative corrections due to annexations, adjustments, closures, and resolutions previously enacted by the Blount County Board of Commissioners is included herein as **"EXHIBIT B"** for reference; and,

**WHEREAS**, a new List of Official County Roads has been prepared incorporating all the amendments, additions, deletions, and other required changes occurring to date since the adoption of the previous revision of the List of Official County Roads is being presented in the form of a report from an electronic data base file which can be easily accessed, copied, or distributed, and the information contained therein is made conveniently available for official, public, or private use.

**NOW THEREFORE BE IT RESOLVED**, by the Board of Commissioners of Blount County, Tennessee, in session assembled on this 21st day of January, 2010, that the County does hereby amend the list of public roads of Blount County, Tennessee to include the roads and changes in the schedules attached to this resolution and entitled "**Blount County Highway Department, Official County Road List for 2009**" and does declare that all of the roads described in said schedule are hereby declared to be public roads and subject to proper maintenance in accordance with their classification; and

**BE IT FURTHER RESOLVED** that the County Clerk of Blount County, Tennessee, shall, in accordance with the appropriate section of Tennessee Code Annotated, maintain a record book in his office of the public roads of Blount County, Tennessee, and the aforementioned roads as presented in the schedule attached to this resolution shall be included in such record book; and

**BE IT FURTHER RESOLVED THAT THIS RESOLUTION TAKE EFFECT FROM AND AFTER ITS PASSAGE, AND THAT ANY PART OF ANY PRIOR RESOLUTION TO THE CONTRARY IS HEREBY DECLARED NULL AND VOID, THE PUBLIC WELFARE REQUIRING IT.**

"EXHIBIT B"- Substantive changes to "Official Roads List for Blount County, Tennessee," not subject to any previous resolution addressing such change. Changes shown here are to make administrative corrections to said list for purposes of accuracy.  
\*\*\*\*\*

CANNON ROAD off Howard School Road- Abandon 120' of roadway with rights-of-way of 23' at the end of Cannon Road at the request of property owner, previous approved by Blount County Regional Planning Commission. This revision is separate from the action shown in "Exhibit A" attached hereto in this resolution. The new corrected length will be 2300' as shown in "Exhibit A."

SAM HOUSTON SCHOOL ROAD between Old Knoxville Highway and Wildwood Road- Abandon and remove from "Official Roads List for Blount County." Sam Houston School Road has been annexed by the City of Alcoa for its entire length.

End of "EXHIBIT B"

January  
4, 2010

Bill Dunlap  
1227 McArthur Road  
Maryville TN 37804

Dear Sir

As per instructions given by Mr. Abbott, I am writing on behalf of my mother Juanita Farnier, to request that the west end of Harvard Street, in Morganton Acres, Maryville TN, be re-opened or re-established and maintained by the county as it once was.

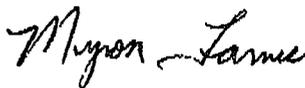

My family has lived in this subdivision since 1960. My father built the first house in here and myself and my brother have hunted, played, and rode over, quite possibly every foot of property here and Harvard Street was here from the beginning. It ran the entire distance from the George Ross property to the Robert Edmonson property.

My parents just recently purchased a parcel of property on Harvard Street from Mr. Robert White of Smyrna TN. Mr. White purchased the property on 6-18-1957 and the deed identifies the property as being on Harvard Street, but the street in its current condition does not continue on in front of the property. The original plat of the subdivision identifies Harvard Street, but shows it to be approximately 425 to 500 feet longer than is now maintained and the road bed is still discernable in satellite photos taken as recently as January 2007 (please see attached).

Why this section of the street has been neglected by the county is not known, but we request that it be re-established and maintained so as to allow access to said property.

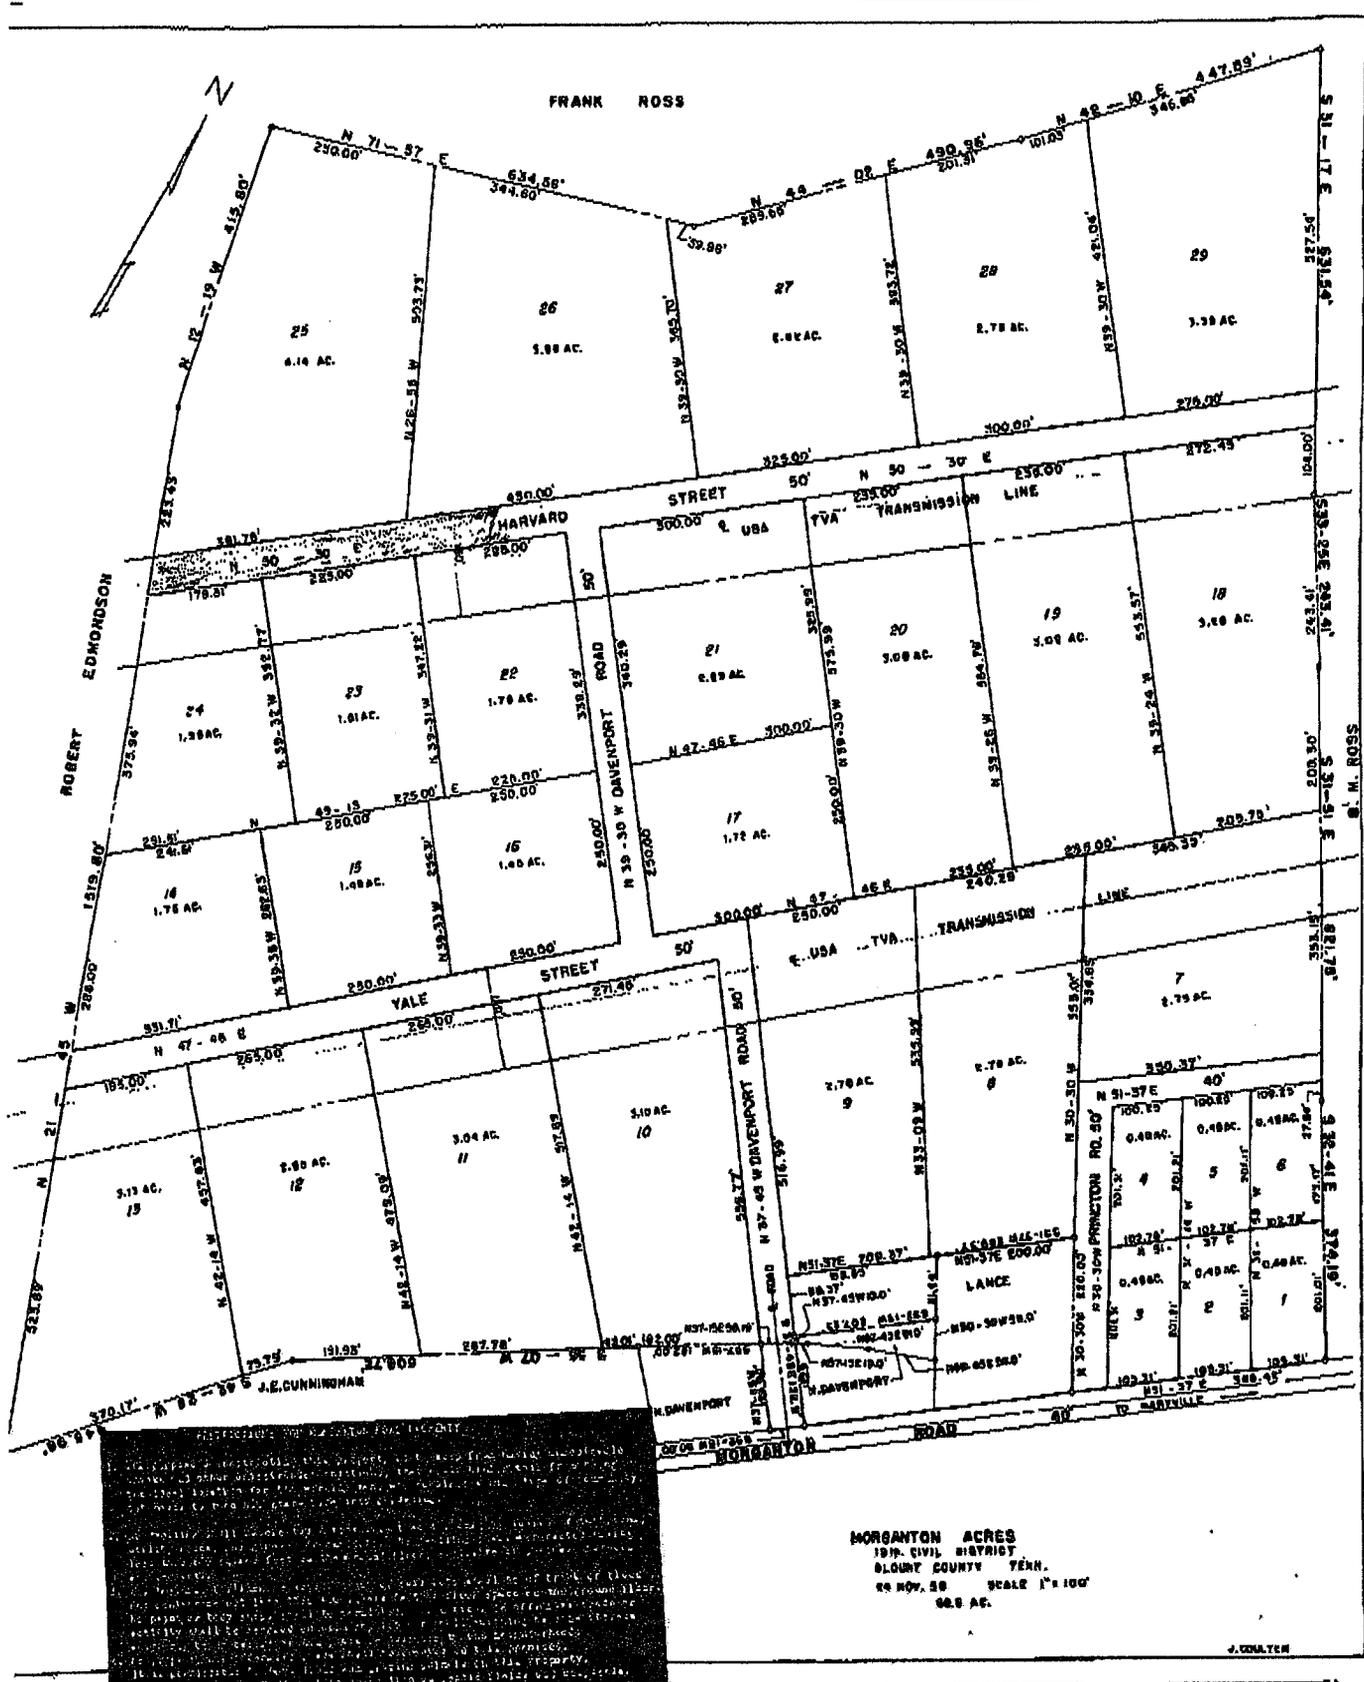

Your consideration and action regarding this matter will be greatly appreciated.

Thank you.

Prepared by J. Conallen for J.E. Cunningham

Map of Morganton Acres, Blount County, Tennessee, showing 25 lots. The map is bounded by Robert Edmondson to the west, Frank Ross to the north, and J.E. Cunningham to the south. The map shows streets including Yale Street, Harvard Street, and Davenport Road. Utility lines for F. USA and TVA are also shown. The map is dated November 28, 1908, and has a scale of 1 inch = 100 feet. The total area is 96.8 acres.

Re: Rezoning request at 5131 Hwy 411 South.

---

## **Background:**

Mr. Gerald Moore and Charles Dosset Jr. are requesting that the first 500 feet of their property, located at 5131 Hwy 411 South, be rezoned to RAC (Rural Arterial Commercial) from R-1 (Rural District 1). This property is identified on tax map 100 and parcel 12.24. The property currently houses a warehouse that they store tires in.

The property does have direct frontage onto Hwy 411 South and is located outside the urban growth boundary for the City of Maryville. Rezoning to a depth of 500 feet is consistent with property that has been rezoned in the immediate area.

The applicant is requesting the rezoning in order to put a store front for their tire sales at the location. Currently it is only approved for the warehouse. That use was approved by the BZA as a change of use from an automobile sales lot. A property can only have one change of use if it had an existing non-conforming use located on it prior to the enactment of our zoning regulations. If the rezoning is granted, the applicant will submit a site plan to the planning commission for the approval of the intended tire store.

Below I have included a copy of the zoning map, tax map and tax card. These maps are not to scale. This property has been divided since the original zoning map was created and I have tried to accurately reflect the new property boundaries for the parcel in question. I have indicated the proposed area to be rezoned by hatching that area on the maps below. The tax card on the property reflects that it is currently being taxed as commercial.
