To whom it may concern,

My name is Brian King; I am a local business owner and native resident of Blount County. I have been in business for myself since 1991; I am the owner of Washington Dry Cleaners. I have been in the Dry cleaning industry since 1981 and I am a second generation business owner in Blount County. I attended Blount County School Systems and graduated from Heritage High School. Since being in business for myself I have become a member of the Blount Chamber of Commerce. Not only am I a member of the Blount Chamber of Commerce, but a member of many Dry Cleaning related organizations. My business is located in the downtown district of Maryville; therefore I have an understanding for the needs of zoning, whether it is commercial or residential. During my time as a local business owner I have contributed too many organizations, to name a few: the Boys and Girls Club of Blount County, Blount County Humane Society, Eagleton little league, Both City and County School Systems (Academically and Athletics). I am consistent voter in the local and national elections. When I am not working I enjoy spending time with my wife, Sara, and two sons, Josh and Hunter. I enjoy spending my weekends with my family, and I am an avid fisherman and outdoorsman. I am member of Faith Baptist Church on Old Knoxville highway. I reside at my current residence of 120 Talbott Lane since 1999.

Sincerely,

Brian King

Subject: 4-Way Stop Sign request.

Date: 5/28/2014

Honorable Commissioners,

The Blount County Highway Department recently received a request to change the intersection at Freels Rd. and Grey Ridge Rd from its current configuration into a 4-way stop. The Highway Department has reviewed the request and determined that the requested change is not warranted.

Our decision was based on the following Information:

- The site geometry would complicate sign placement.
- The only accident at this location since January 2011 was a rear end collision involving a car that was waiting to turn onto Grey Ridge Rd.
- A speed and traffic count study was performed by T.T.A.P. (*See attachments.*) . The results of this study show that although travel speeds are higher than the posted limit, the 24 hr. traffic count is well below the threshold to warrant changing the current intersection configuration.

We hope this information is helpful in the event that one of your constituents has questions for you concerning this issue. If you have any additional questions please contact me at 865-982-4652.

Respectfully,

Jeff Hatcher

Memorandum

May 27, 2014

To: Ed Mitchell, Mayor and Randy Vineyard, Director of Accounts & Budgets

From: Micky Roberts, County Health Director

RE: Request to withhold 3rd and 4th quarter state invoices for new health department roof

My request for the county to keep \$37,312.50 of the remaining balance from expense line 101-55110-500309, Contracts w/ Government Agencies, to be used towards roof replacement or consequently moved to capital line 101-091140-500707-0 has been approved by the Tennessee Department of Health. This is a one-time "forgiveness" and if it is not used for this purpose, these funds must be held in an account for use with the health department. With this in mind I have transferred \$2,000 from the contract to cover our communications line for the rest of this year which would otherwise run out in June.

Therefore, I respectfully request that the remainder of \$35,312.50 be moved to the capital line to be used for roof repairs.

Blount County will resume making their full appropriation to the state for fiscal year 2014-2015.

This request was predicated upon the fact that precedence was set to withhold some funds from this appropriation to the state before in FY 2005/06. At that time the funds were used to assist in the renovation the old library into the new County Health Department. If you have any questions or concerns do let me know.

Memo: Health Dept. Roof

The architectural specifications are complete for the Blount County Health Department, and are scheduled to be delivered to the purchasing department on Friday the 6th of June. With these specifications in-hand, the purchasing agents will be able to submit the information for bids.

Of the original \$53,783 designated for the roof, \$3,000 has been obligated for the architect, Jeff Fletcher. Additional funding in the amount of \$35,312.50 has been targeted for this project. With the additional funding, additional options are available such as a higher grade dimensional shingle, or a metal roof. A metal roof is a better option based on the durability of the metal and the slope of the existing roof.

Mr. Randy Vineyard

RE: Drug Court Fund

Dear Mr. Vineyard:

The Drug Court Fund (128) has experienced a shortfall in revenue collections this year and projects to end June 30 with a fund deficit. As you know, this fund will close at the end of June and operations are proposed to be funded from the general county fund (101) beginning July 1.

The reason is due to the operations no longer meet the "growing concern" standard for a viable operation. We are requesting that the County assist this year with funding the projected deficit and mitigate any potential audit finding. We will begin efforts to pursue additional funding sources for next year to minimize the financial impact on the County.

Sincerely,

From: Susan Gennoe

Date: 05/22/14

Re: Transfer needed – month end reconciliation of debt FY13-14

In finalizing year end reconciliations of our debt, the following was noted:

QZAB – Inadvertently used an incorrect amortization schedule to project rather than State schedule. Difference of \$9,874 increase on principal is needed.

QSCB – Budgeted a net principal (based on net sinking fund interest estimates) that may not be sufficient; including another \$4,701 to bring principal up to gross per amortization schedule (all of this will not be needed.)

Because the interest in a/c 82210 is variable and budgeted on a "middle of the road" conservative approach per our financial advisor, we should have the \$14,575 needed to cover these items in those lines.

Thank you.

Re: Fund Balance Designation from Self-Insurance to Capital Projects

After thorough discussion with the State Comptrollers' office, the county is proposing to use designated fund balance to address Self-Insurance issues during the current fiscal year as presented at the February 20th, 2014 County Commission Meeting.

This action will impact General County (101), Library (115), General Purpose School Fund (141) and Highway (131). Because the Library, General Purpose School Fund, and Highway will be responsible for their individual payments, the necessary portion for General County, \$372,493 is less than the previously designated, \$815,000. Because of this, it is requested that the balance remaining after Self-Insurance is addressed, \$442,507, be redesignated to Capital Projects.

Thank you.

RESOLUTION NO. 14-06-005

SPONSORED BY COMMISSIONERS RON FRENCH AND MIKE CAYLOR

A RESOLUTION BY THE BLOUNT COUNTY COMMISSION PURSUANT TO TENNESSEE CODE ANNOTATED SECTION 54-10-216 TO CLOSE AND VACATE AN ABANDONED ROAD BED AND RIGHT-OF-WAY ACROSS PARCEL 44.00 OF BLOUNT COUNTY TAX MAP 4.00 AT THE INTERSECTION OF BURNETT STATION ROAD AND CHAPMAN HIGHWAY LOCATED IN BLOUNT COUNTY, TENNESSEE

WHEREAS, the legislative body of the County has the authority, under Tennessee Code Annotated Section 54-10-216, to close existing roads and abandon right-of-ways; and

WHEREAS, the Blount County Planning Commission and Highway Superintendent received a request from the owner of property located at 10131 Chapman Highway, referenced by Tax Map 4.00, Parcel 44.00, to abandon an old right-of-way that crosses the corner of Parcel 44.00 of Tax Map 4.00, as shown on the survey, and which has been abandoned for many years; and

WHEREAS, the intersection of Burnett Station Road and Chapman Highway was reconstructed resulting in a portion of the road bed adjacent to Parcel 44.00 to be vacated and no longer used; and

WHEREAS, the property owner has dedicated the minimum required 25' of right-of-way from the center of existing Burnett Station Road as it currently crosses the side of Parcel 44.00; and

WHEREAS, the requesting property owner is the only interested property owner and no further notice is required; and

WHEREAS, the Blount County Planning Commission on February 27, 2014, reviewed this matter, including the recommendation of the County Highway Superintendent, and based on its investigation has determined that, in its opinion, the closing of said right-of-way will not adversely affect any property owners or the present or future function of the County's roadway system, and recommends the closure of said abandoned road bed and right-of-way all as shown on the attached survey prepared by Norvell & POE Engineers, License dated February 14, 2014, which is incorporated herein as part of this Resolution; and

WHEREAS, the County Commission feels the closure of the right-of-way is not detrimental to the community or to the present or future function of the County roadway system.

NOW THEREFORE, BE IT RESOLVED by the Blount County Commissioners assembled in regular session at Maryville, Tennessee, on this 19th day of June, 2014, that the aforescribed section of the abandoned road bed and right-of-way (all as shown on the attached survey prepared by Norvell & POE Engineers, License dated February 14, 2014) is hereby closed, with any interest the County has in the right-of-way being hereby relinquished as provided by law.

BE IT FURTHER RESOLVED that although the only legal requirement of the County Commission is to adopt a resolution closing the described right-of-way, upon the request of adjacent landowner, and upon review by the County Attorney and a determination having been made in the attorney's opinion, the execution of a Quitclaim Deed evidencing the release and conveyance of any interest the County might have in the aforescribed right-of-way would not adversely affect the rights of any property owners, would further protect the County from potential liability and restore said property to the tax roll, the Blount County Mayor is hereby authorized to execute a Quitclaim Deed in favor of the applicant for the right-of-way (or the portion thereof) hereby authorized to be closed, upon the payment of any fees and expenses involved in deeding the property to the applicant.

BE IT FURTHER RESOLVED THAT THIS RESOLUTION SHALL TAKE EFFECT IMMEDIATELY, THE PUBLIC WELFARE REQUIRING IT.

RE: RESOLUTION TO VACATE RIGHT-OF-WAY AT THE INTERSECTION OF
BURNETT STATION ROAD AND CHAPMAN HIGHWAY

DATE: JUNE 3, 2014

At the request of the Planning Commission and Highway Superintendent, I have examined the circumstances surrounding the abandonment of the right-of-way that is adjacent to the Kenny Guffey property at the intersection of Burnett Station Road and Chapman Highway. I agree with the conclusions of the Blount County Planning Commission that inasmuch as this intersection was reconstructed, the former right-of-way is of no benefit or use to Blount County's road system. Further, the only property owner affected by this small section of right-of-way is the Kenny Guffey property.

In my opinion, it would be in the best interest of the County to abandon the right-of-way and deed the same to the adjacent property owner, Kenny Guffey, which would place the property back on the tax roll and relieve the County of any potential liability associated with this property. The property owner has paid for the survey and the obtaining of the legal description and upon approval of the Resolution by the Board of Commissioners, I will be happy to prepare a quit-claim deed in favor of Mr. Guffey for the Mayor to execute.
