Additionally, to the other Constitutional Officers who have always taken my questions and phone calls. Especially, the Circuit Court Clerk and the outstanding, dedicated and overburdened Judges who serve Blount County.

Also, my sincerest appreciation to THE **COUNTY ATTORNEY** who legal advice and expert counsel to this Commission have contributed substantially to more economic opportunities and a better quality of life for Blount County citizens.

I will miss and fondly remember my fellow Commissioners with whom I have served on the various committees of County Government. The Blount County Animal Center committee has accomplished so very much and my fellow members have made sacrifices of time and effort. To them I say THANK YOU. Never grand standing or being disruptive, but putting the best interest of the citizens of Blount County **FIRST**.

I will miss **the members who understand** how county government is supposed to work; and how the Board of Commissioners speak **through legislative process**. . . .AS opposed to a personal agenda and a diatribe of conflict.

I will miss those who have put forth the effort to adequately prepare for our meetings by seeking answers **before** the meeting, And to the members who respect the staff and realize that they are performing a necessary service to the public and that the **requests** of a Commissioner **are taking away** effort and services that would otherwise be available to our citizens.

I will miss the Commissioners who respect and support our LAW enforcement officers who daily risk their lives to keep the public safe. To the Blount County deputies who are led by an outstanding and professionally acclaimed Sheriff, I say THANK YOU.

I will miss the Commissioners who support our teachers, principals, students and school board members by providing resources to make our schools healthier and safer places to learn and work.

I will miss those Commissioners who have supported the Blount County Industrial Board, which has provided record job growth and capital investment within our County and in turn raising the commercial tax base of our community and lessening the financial strain on our senior citizens.

AS I retire, I pledge to my fellow Commissioners that I will use my experience and my resources to support **those of you** who have been a positive force for the continued success of this COUNTY.

May God bless each one of you!

Thank you Mr. Chairman

**IN RE: ADJOURNMENT**

## Read to be Ready Coaching Network Guidelines for use of district mini-grant funds

### Purpose

The district mini-grant should be used to support coaches' work with teachers and increase student access to high-quality texts and materials. Each participating district will receive a minimum of \$5,000. Mini-grant money should be used to **support and sustain the work of the coaching network**. In addition, materials should align to the instructional outcomes of the coaching work.

District Read to Be Ready coaches will be provided with materials and text sets to use in their work with teachers. These materials align with the instructional outcomes by supporting instructional practices such as read aloud, shared reading, and guided reading. These materials may serve as helpful examples as districts consider using mini-grant funds to purchase additional literacy materials.

### Recommended Uses:

- Purchase high-quality, content-rich, complex texts for read aloud
- Purchase text sets that promote knowledge and vocabulary building, and may include diverse text types for read aloud, shared reading, guided reading, etc. Text sets will be provided for district Read to Be Ready coaches
- Purchase high-quality, on-grade level text sets for shared reading
- Purchase high-interest independent reading books for students
- Provide stipends to teachers for attending training(s) or meeting(s) related to the coaching network outside of normal school hours
- Other areas may be identified and requested by the district as needed to support the work of the coaching network

 Subject: Tobacco Settlement Funds

Tobacco Settlement Funds have been given to every county in Tennessee as part of a three year project to have an impact on tobacco usage and exposure. Each calendar year since 2014 Blount County Government has been given funds for the purpose to decrease the percentage of women that smoke during pregnancy, decrease the number of young children exposed to second hand smoke, and to help the youth of Blount County choose not to smoke, along with many other projects that are specific to Blount County.

I am requesting that the ending reserve balance of \$70,026.07 of the remaining Tobacco Settlement Funds for FY 2016 be placed into 101-55110-500599-0 for FY 2017 to ensure that the Blount County Health Department has the resources needed to have an influence on tobacco usage in Blount County. This project is based on a calendar year and funds will not be received in 2017 as 2016 marks the end of the three year project.

Thank you and if you have any concerns please feel free to contact me at any time. .

### State Aid-Roads Budget Amendment

- State Aid Roads are roads in the county that intersect with a state maintained roadway.
- The amount of road mileage a county can have as a state aid road is determined by the county's size, population, and mileage.
- We currently have 15% of our roads on our state aid approved list.
- Each year the state funds a percentage of funds to repave roads on the state aid list.
- This year we are projected to receive 98% of \$912,500.00 to repave four roads in our county.
- \$520,000 is already in this budget line.
- This leaves the county to fund \$18,250.00 on those roads while the state will reimburse the remaining \$894,250.00.

### Funding Breakdown by Road

Road	State 98%	County 2%
Doc Norton Rd	\$196,980.00	\$4,020.00
Alfred McCammon Rd	\$203,840.00	\$4,160.00
Riverford Road	\$406,504.00	\$8,296.00
Wilkinson Pike	\$86,926.00	\$1,774.00
<b>Total Funding</b>	<b>\$894,250.00</b>	<b>\$18,250.00</b>

### Contracts and Pending Contracts

- Doc Norton Rd & Alfred McCammon Rd have been approved and the contracts are signed.
- Riverford Rd and Wilkinson Pike have been approved and the contracts were sent to the state to be signed on August 26, 2016.

### Approval

The Highway Department is respectfully asking for a budget increase to reflect the \$894,250.00 that we will receive in reimbursement from the state upon completion and inspection of the four roads listed above.

### MEMO

**TO:** Members of the Blount County Planning Commission

**FROM:** John Lamb 

**DATE:** August 18, 2016

**SUBJECT:** Public Hearing and Possible Action on request to rezone 5823 Calderwood Hwy from R-1-Rural District 1 to RAC2 – Rural Arterial Commercial District 2.

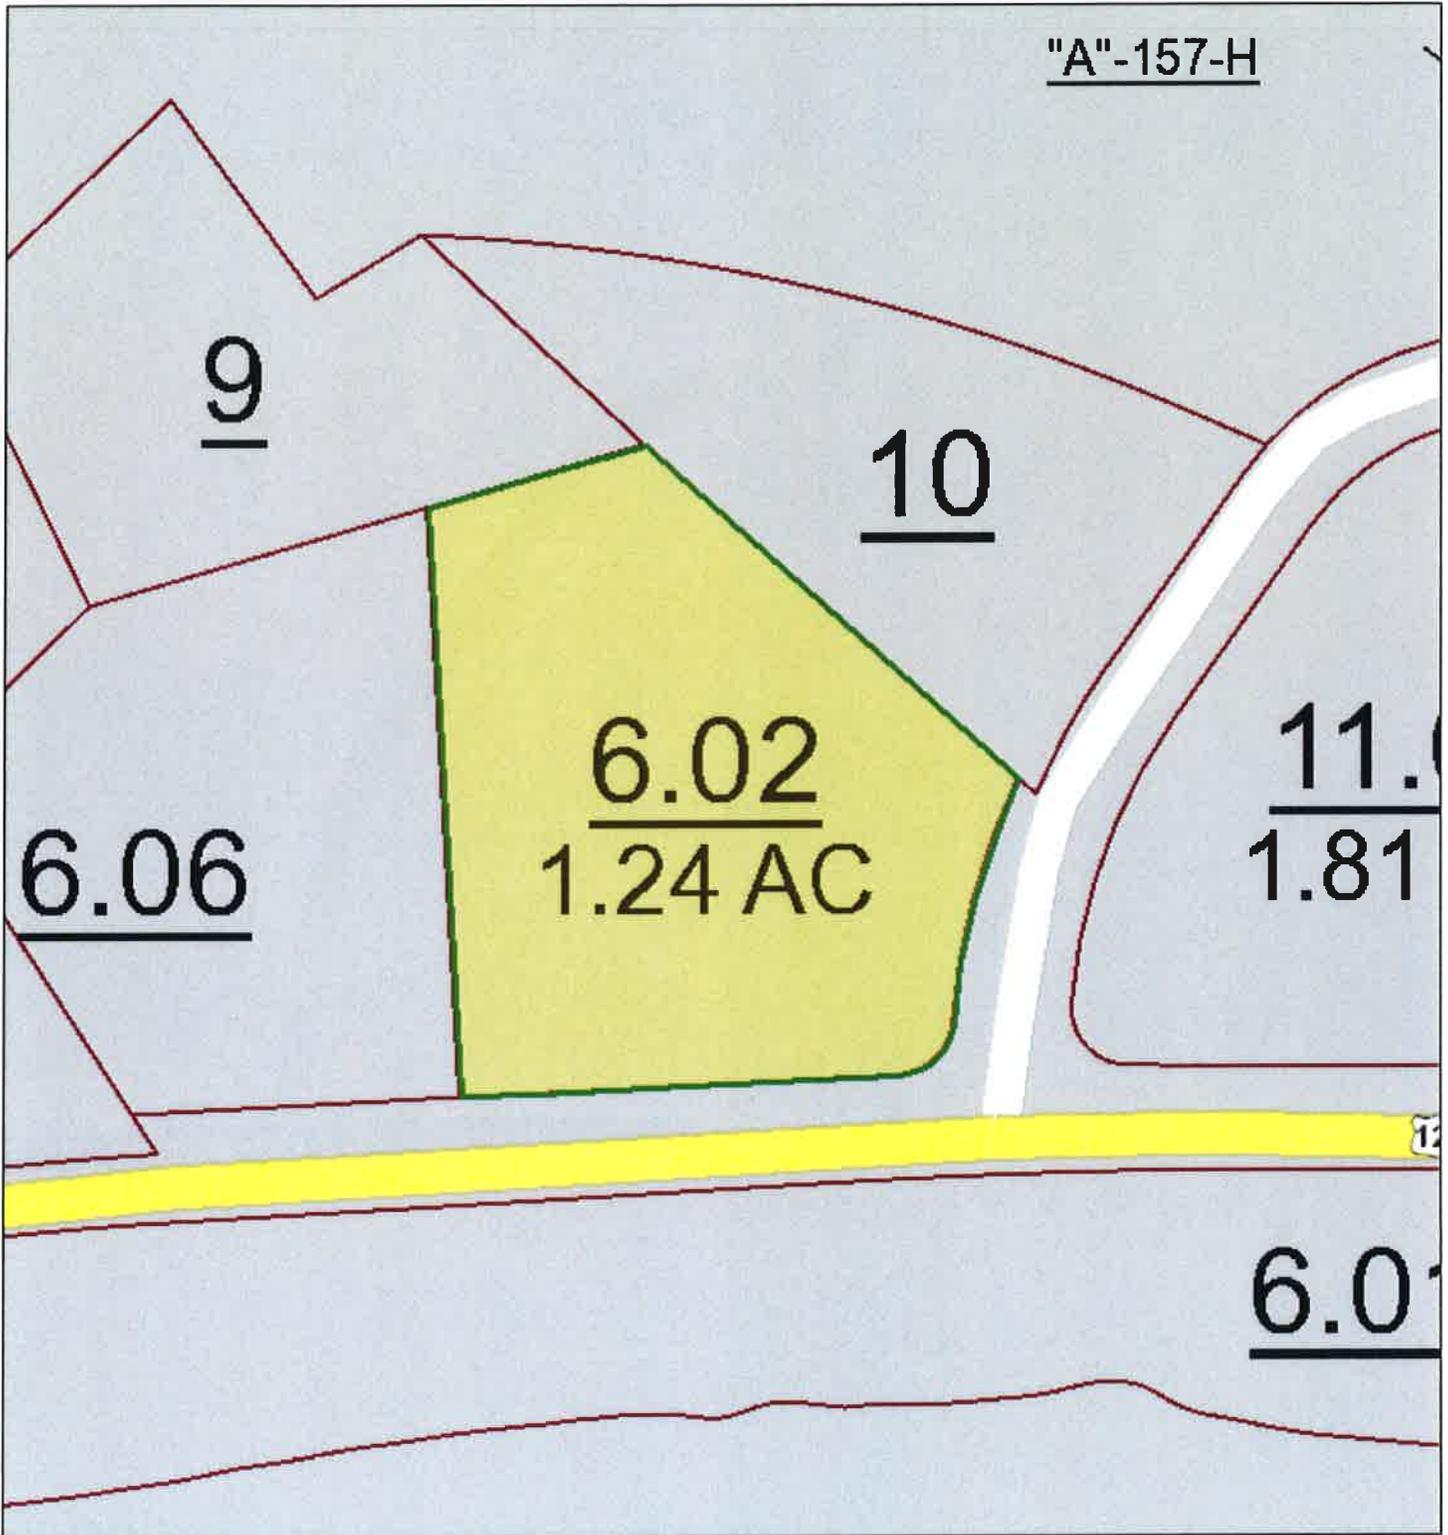

The property is identified as 5823 Calderwood Hwy, corner to Tallassee Road, also Tax Map 157 Parcel 6.02, owned by Kelso, LLC represented by Samm Pitz. See maps attached. The property was previously divided into two tax parcels, but has been combined into one lot by plat.

All of the parcel is now zoned R-1-Rural District 1, and all of the parcel is in the flood zone. Any new construction or substantial reconstruction shall meet all requirements of the flood plain regulations.

The request is to rezone to RAC2-Rural Arterial Commercial District 2. The RAC2 zone has specific geographic limitations on applicability, and the request meets those limitations by being along Calderwood Highway and within 300 feet of intersection with Tallassee Road.

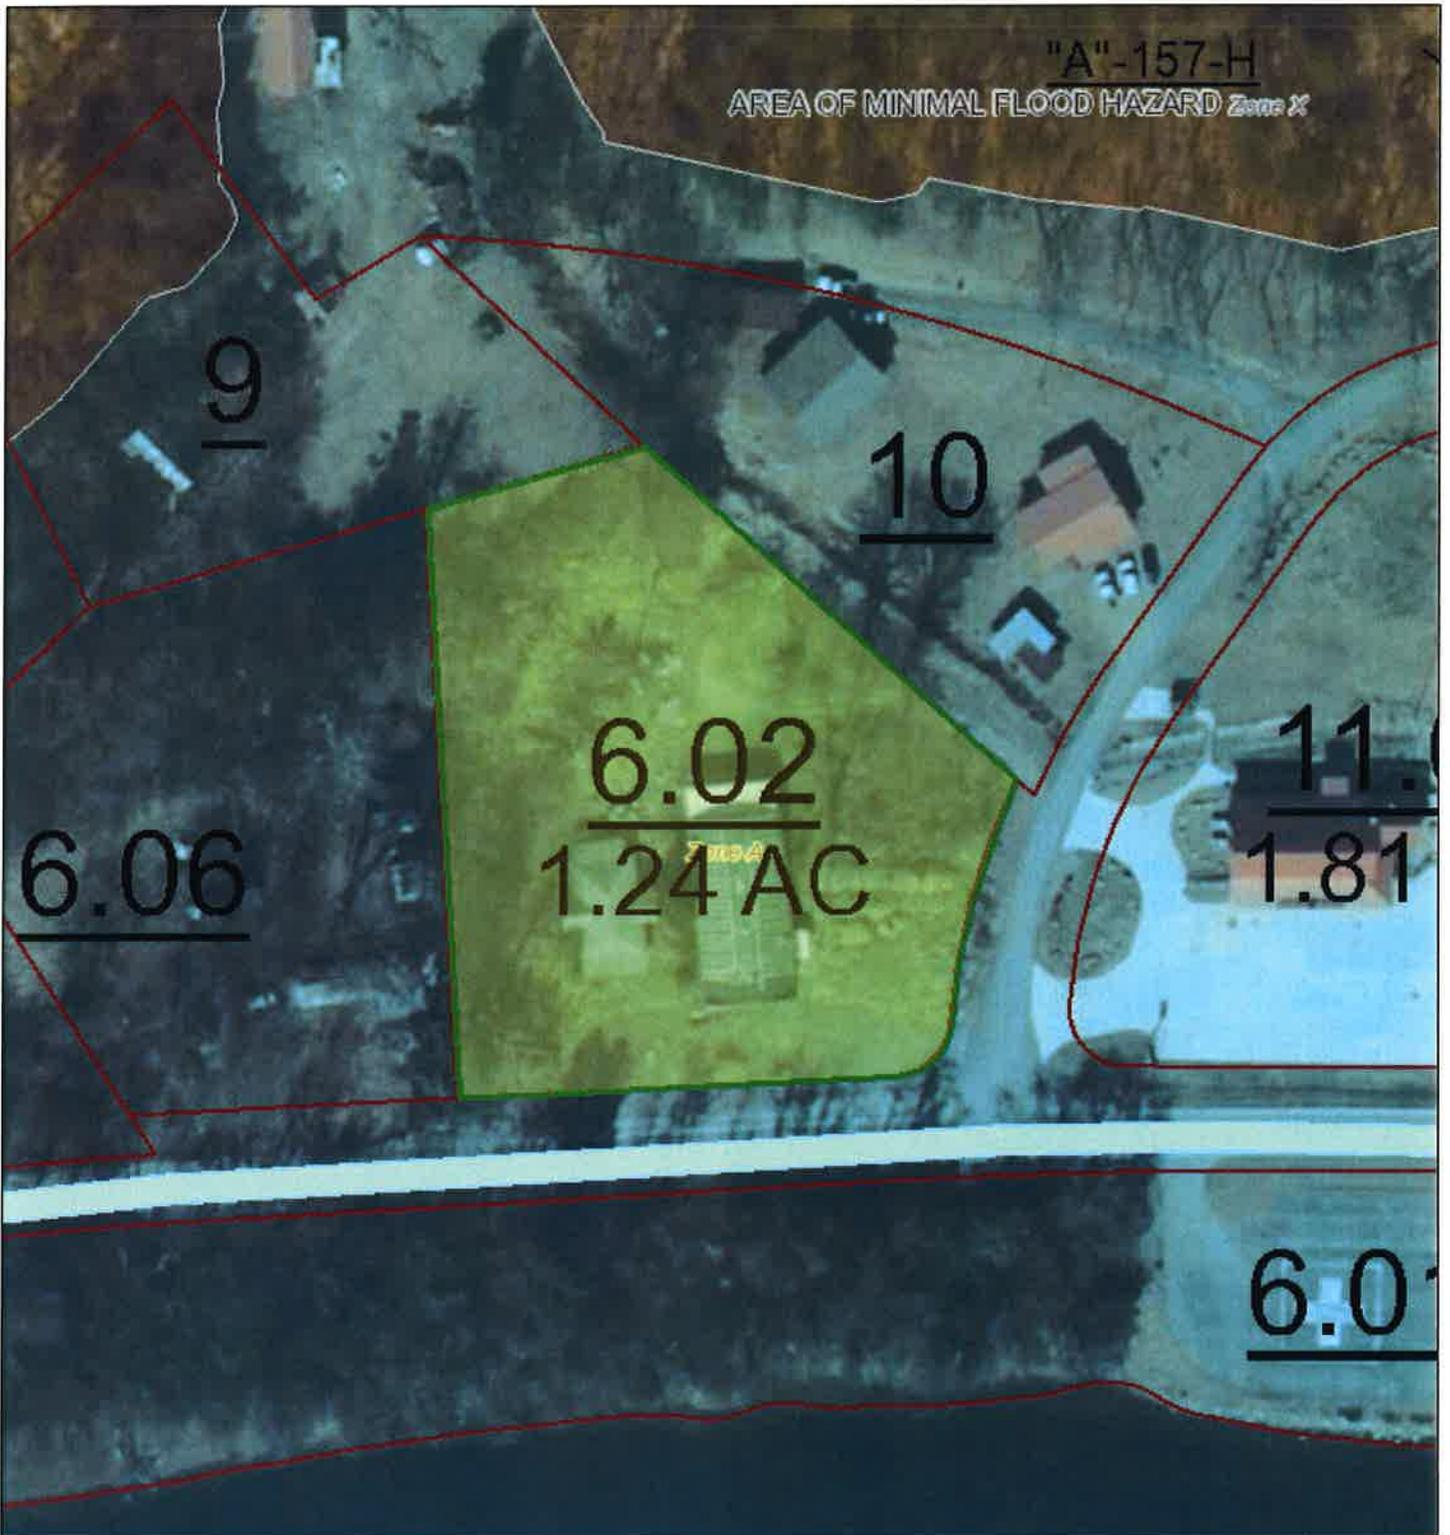

The property has two old structures, one residential and one commercial. Surrounding uses include substantial commercial across Tallassee Road.

This item is open for recommendation to the County Commission.
