**IN RE: COMMISSIONER WILLIAMS’ STATEMENT.**

Commissioner Williams requested that the following statement be included in the minutes:

“To this honorable Court and whoever this may concern. I am grateful for this opportunity to serve Blount County and its people. And my district, I’m grateful.

Since September, there’s been a lot of rumors floating around the county and around the Court-house and throughout the area pertaining to what’s going to happen to me the next four years. Now I’ve been told that I was going to be mowed down like hay and that my black you know what was going to burn. And that anything good that I bring in front of this Commission to try to help Blount County, such as lowering taxes and helping people with jobs, that any support will be taken away from me. I was also told

that the old Library building would be sold to deny me or deny Blount County the right to have a museum just because I support it.

Now, I want to say something once and for all. I fought a war for freedom. I didn't have a birth certificate; I don't know who I am. It doesn't matter where I came from; it's where I'm going. No longer does anybody have the right to suppress me as to who to support, who to vote, and none of the other good things in life. The Emancipation Proclamation has been passed. The Boston Tea Party is long over. The battle at Fort Sumter has been won. Sherman has sent his army through here and destroyed Maryville. New Orleans is over. Now the Korean War is over. The Emancipation Proclamation has been passed. The Bill of Rights has been passed. I earned the right to stay here, to come here. No one is going to force me to be a part of a clique or suppress me or tell me who to support, or who to vote for, or who to sit down and eat with, or who to befriend, or they don't have the authority to tell me who to go to bed with. Now, I'm tired of this. I've even been called idiots. Now, I don't want to bear that label. Anybody wanting to run with that football who is willing to be suppressed can have the privilege to do that. I want the record to reflect that, Mr. Clerk."

VIA FACSIMILE TRANSMISSION AND U.S. MAIL

Dear Ms. Woodruff:

This letter is in response to your question concerning whether or not the county legislative body may rescind the confirmation of a member of the county's regional planning commission. The short answer is no. However, after a planning commission member has been appointed and confirmed, the member may be removed by the procedure found in T.C.A. § 13-3-101(i)(5). My reasoning follows.

Although a legislative body may generally modify, repeal or rescind an action that is not restricted as to time and manner if rights of third persons have not become vested, the general rule regarding revocation of appointments is that when an appointment is made for a definite term fixed by statute, then the appointment cannot be rescinded or revoked. *Weir v. State*, 96 Ind. 311, *People v. Reed*, 17 P. 302, 11 Colo. 138, *State v. Chatburn*, 19 N.W. 816, 63 Iowa 659, 20 C.J.S. Counties, § 92, pages 293, 294. Under the procedure of executive appointment and legislative body confirmation, the appointment is not valid until the action of the legislative body is complete, but once that occurs the appointment is absolute and irrevocable. 67 C.J.S. Officers §§ 42-43, page 314; *Hale v. State ex rel. Agee*, 186 So. 163, 237 Ala. 191, *Board of Education of Boyle County v. McChesney*, 32 S.W.2d 26, 235 Ky. 692, *State ex rel. Johnson v. Hagemeister*, 73 N.W.2d 625, 161 Neb. 475 (1955), *Op. Tenn. Atty. Gen.* 79-189 (April 23, 1979). In the case of a regional planning commission whose boundaries conform to the boundaries of an existing county, T.C.A. § 13-3-101(e) and (i) provide that the terms of appointive members who are not members of the legislative body are fixed for a number of years while the terms of members appointed from a county legislative body are coterminous with the member's term as a member of the legislative body. Therefore, upon the confirmation of an appointment to the regional planning commission by the county legislative body, the appointment process is completed and the rights of the appointee vest. Therefore, it is my opinion that the county legislative body is without authority to rescind the previous action of approval of an appointment to the regional planning commission.

It should be noted that with respect to regional planning commissions whose boundaries conform to the boundaries of an existing county, T.C.A. § 13-3-101(i)(5) provides that the county legislative body may remove a member of the regional planning commission for cause specified in writing and

served on the member. The removal may take place only after a hearing before the county legislative body which may take place fifteen or more days after the written notice is served.

I hope that this information is helpful to you.

## MEMO

To: The Budget Committee  
From: Tom Hatcher   
Subject: Counterfeit Money  
Date: October 25, 2002

On September 12, 2002, our Juvenile Office received a counterfeit bill in the amount of \$100. I have attached a copy of the police report as well as the bank report from this incident.

We have spoken to our state auditor, Amy Hembree, regarding this situation and she conferred with Clifford Tucker, Audit Manager for East Tennessee. He stated that this should be treated as a theft and we should request the County Commission to reimburse our account from the county's general fund.

Thank you for your consideration.

On Tuesday September 17<sup>th</sup> 2002 I Sergeant England was notified by Johnny Hatcher that one of his employees, Beverly Bullack, at the Juvenile Detention Center Clerks office, had taken a Counterfeit 100<sup>00</sup> bill during the business day on September 12, 2002. Beverly did not know at the time, but notification was made to Scott Helton by B. B & T Bank located on Foothills Mall drive on Monday September 16 2002. Blenda Hawkins of B B & T Bank has sent written notification to the United States Secret Service to advise them of the involvement of the Counterfeit bill and a Federal Bank. The employees of the Juvenile Clerks office will be supplying me with a list of possible offenders in the next couple of days. No further information is known at the time of this report.

1. **Term.** The term of this lease agreement shall be for eighteen (18) months, commencing on February 1, 2003, and unless sooner terminated as herein provided, ending on July 31, 2004.
2. **Rent.** Lessee shall pay Lessor Two Thousand Dollars (\$2,000.00) per month as rental for the leased premises, which rent shall be due on the first day of each month in advance during the term of this lease agreement.
3. **Use of leased premises.** Lessee shall only use and occupy the leased premises as government offices from which Lessee will provide government services to its citizens and residents. In the event that Lessee ceases to use the leased premises for government offices, then this lease agreement shall automatically terminate and become void, and Lessor without notice or demand to Lessee may re-enter upon the leased premises and occupy and possess the same as of its former estate.

4. **Utilities.** Lessee shall be responsible for and timely pay all charges for utilities, including deposits, for the leased premises during the term of this lease agreement.

5. **Property taxes.** Provided that the leased premises become subject to the assessment of ad valorem real property taxes, Lessee shall pay all such property taxes for the leased premises during the term of this lease agreement.

6. **Initial repairs and additions.** Lessor has agreed that Lessee may, at Lessee's sole expense, make certain initial repairs and/or additions to the leased premises prior to the date specified for commencement of the term of this lease agreement. Lessor's consent to make such initial repairs and/or additions is limited to the installation of carpeting, ceiling repair, outside painting, landscaping and tree trimming and the addition of parking lot lighting at a total estimated cost of \$20,000.00 to \$30,000.00. For the purpose of making such initial repairs and/or additions, Lessee shall be granted access to the leased premises on December 1, 2002. All such initial repairs and/or additions made to the leased premises shall be considered part of the real estate and taken as rent in addition to the rent set forth above.

7. **Maintenance.** Lessee shall keep, maintain and preserve the leased premises and appurtenances in good condition and repair and shall, at Lessee's sole cost and expense, perform all necessary maintenance to the leased premises and every part of the leased premises as needed during the term of this lease agreement. Lessor shall have no obligation to alter, remodel, improve, repair or maintain the leased premises or any part of the leased premises.

8. **Improvements or alterations.** Except as permitted under section 6 above, Lessee shall not improve or alter the leased premises in any manner without obtaining the prior written consent of Lessor, and all such improvements or alterations permitted to be made to or on

the leased premises shall be considered part of the real estate and taken as rent in addition to the rent set forth above.

9. **No assignment or subletting.** Lessee shall not assign, transfer or sublet the leased premises or any part thereof.

10. **Fire and extended coverage insurance.** Lessee shall, during the term of this lease agreement and any other period of occupancy of the leased premises, at Lessee's sole cost and expense, carry fire and extended coverage insurance on the leased premises in an amount equal to one hundred percent (100%) of the valuation of the buildings or improvements located on the leased premises, with Lessor named as an insured thereunder. Such insurance shall be written by a reliable insurance company or companies authorized to do business in the state of Tennessee.

11. **Personal property.** It is understood that Lessor shall not be liable for any loss, damage or injury to Lessee's equipment and personal property located on the leased premises, and Lessee shall be responsible for and provide its own insurance coverage on such equipment and personal property.

12. **Indemnification and insurance.** Lessee shall indemnify and hold Lessor harmless from any and all claims and demands, whether for injury to person, loss of life or damage to property, including attorney fees, arising out of Lessee's use of the leased premises, and Lessee will keep in effect comprehensive general liability insurance upon the leased premises for events that fall outside the protections of the Tennessee Governmental Tort Liability Act in an amount not less than \$2,000,000.00 per occurrence, with Lessor named as an additional insured.

13. **Certificate(s) of insurance.** Lessee shall provide Lessor with a certificate(s) of insurance on or before February 1 of each year during the term of this lease agreement, evidencing

that the insurance coverages required under sections 10 and 12 above are in effect. These certificates shall contain a provision that coverages afforded under the policies will not be canceled or allowed to expire until at least thirty (30) days prior written notice has been given to Lessor.

14. **Termination.** Should the leased premises be rendered unfit for use or occupancy as a consequence of casualty during the term of this lease agreement this lease agreement shall thereupon terminate. Lessor may terminate this lease agreement at Lessor's sole option upon sixty (60) days written notice to Lessee.

15. **Breach or non-performance.** In the event of breach or non-performance by Lessee of any of the covenants and agreements on its part to be kept and performed hereunder, and such breach or non-performance remains uncured for a period of thirty (30) days after notice thereof, this lease agreement shall be forfeited and become void at the option of Lessor, and it shall be lawful for Lessor without any further notice or demand to re-enter upon the leased premises and occupy and possess the same as of its former estate, without prejudice to any other remedy which Lessor may have on account of such breach or non-performance.

16. **Surrender of possession.** Upon the expiration or earlier termination of this lease agreement, Lessee shall surrender possession of the leased premises to Lessor with all initial repairs and/or additions upon or to the same, in good repair, vacant and unencumbered and in good and tenantable order and condition.

17. **Quiet enjoyment.** Subject to the terms and conditions set forth and contained herein, Lessee shall have peaceful and quiet use and possession of the leased premises during the term of this lease agreement, free from the adverse claims of any and all persons whomsoever.

18. **Modification.** No subsequent modification nor change to the terms hereof shall be made except in writing signed by the parties.

19. **Binding effect.** This lease shall be binding upon the parties hereto and their successors in interest.

**WHEREAS**, the State of Tennessee has implemented alternative sentencing programs with the intention of relieving crowded conditions at our state correctional facilities; and

**WHEREAS**, these alternative sentencing programs have led to convicted felons and sex offenders being housed in monitored residences in Tennessee; and

**WHEREAS**, the housing of such criminal offenders may pose a threat to the safety and well-being of the citizens of the community in which they are housed; and

**WHEREAS**, public and private entities providing housing for alternatively sentenced criminal offenders in a given governmental jurisdiction are not currently required to notify the jurisdiction of the location of such housing facilities or the identity, criminal record and location of the alternatively sentenced criminal offenders proposed to be located at such facilities; and

**WHEREAS**, the knowledge of the presence of alternative sentencing facilities within a given governmental jurisdiction and the identity, criminal records and location of those housed in such facilities would be beneficial to the citizens and law enforcement officials of that jurisdiction in planning for and possibly mitigating any risk posed by this activity; and

**WHEREAS**, on February 21, 2002, the Board of County Commissioners of Blount County, Tennessee, adopted Resolution No. 02-02-004 entitled "A Resolution Adopting Regulations for the Unincorporated Areas of Blount County Pursuant to the Authority of Tennessee Code Annotated Sections 5-1-118(c) and 6-2-201(22)," which resolution was amended on May 16, 2002, and October 7, 2002; and

**WHEREAS**, it has been determined that it is necessary and proper to amend said Resolution No. 02-02-004 as hereinafter provided.

**NOW THEREFORE, BE IT RESOLVED** by the Board of Commissioners of Blount County, Tennessee, meeting in regular session assembled this 21<sup>st</sup> day of November, 2002 as follows:

The following miscellaneous regulation is hereby added to Section 2 of Resolution No. 02-02-004 and adopted for the unincorporated areas of Blount County, to wit:

Regulation No. 48. Notification by entities providing housing for alternatively sentenced criminal offenders. Any public or private entity providing housing for alternatively sentenced criminal offenders in Blount County shall first notify the Blount County Sheriff of the location of such housing facilities and the identity, criminal record and location of the alternatively sentenced criminal offenders proposed to be located at such facilities. Said notification shall be given to the Blount County Sheriff at least 30 days prior to housing of the alternatively sentenced criminal offenders in Blount County. The Blount County Sheriff shall keep the information provided by such entities as a public record to be available to the citizens of Blount County.

**BE IT FURTHER RESOLVED** that the legislative delegation representing Blount County in the Tennessee General Assembly is hereby requested to introduce state-wide legislation requiring that any public or private entity providing housing for alternatively sentenced criminal offenders in a given county shall first notify the chief law enforcement officer of the county of the location of such housing facilities and the identity, criminal record and location of the alternatively sentenced criminal offenders proposed to be located at such facilities.

**To: Roy Crawford

**Re: Unused County-owned Real Estate**

**Roy:**

**If you could, please add to the November 12 agenda of the Intergovernmental Committee a proposal to declare surplus 5 lots in Smoky Mountain Cabin Sites (Tallassee) and also two tracts located at the intersection of William Blount Dr and Matthews (County Farm) Rd.**

**Interest in the lots in Tallassee was conveyed to Blount County by the Clerk & Master after the customary redemption period that follows one of his tax sales.**

**The lots are of little market value and would be of no use to the County. A private citizen has requested that they be offered to the public, so if they can be declared surplus I can dispose of them at auction under TCA 5-14-101.**

**The tracts on William Blount Drive have a lot of road frontage and could be very valuable. The County has never used them for anything and most likely will never have any use for them. They are located across William Blount Dr from William Blount Middle School. They were cut off from the remaining County Farm property when William Blount Drive was created.**

**Although I have no knowledge of any administrative action that would have conveyed an interest in the property to the School Department, I have asked the Board of Education to consider a resolution transferring what interest they may have to the County. They will take up this matter at their November 7 meeting.**

**Please advise if I need to be in attendance at the Intergovernmental meeting.**

**Thanks,**

**BLOUNT COUNTY BOARD OF ZONING APPEALS  
REGULAR SESSION  
THURSDAY OCTOBER 3, 2002  
6:00 P.M.**

The Blount County Board of Zoning Appeals met in regular session on Thursday, October 3, 2002, at 6:00pm at the Courthouse. Staff was represented by; Roger Fields, Building Commissioner.

Members of the Board of Zoning Appeals present: William Marrison, Harold Brown, and Rob Walker.

Harold Brown made a motion to approve the minutes of the September 5, 2002 meeting. Second was made by Rob Walker. The motion received unanimous approval.

**CASES BEING HEARD**

1. **APPEALS: NONE**
2. **VARIANCES: Tim and Teresa Murr at 547 Bullen Emert Lane:**

Mr. and Mrs. Murr own a six acre tract that presently has two dwelling units located on it. The Murr's are requesting a variance in order to locate a third dwelling unit on the property without having to meet the requirements for a Multi Family Development. The Blount County Zoning Regulations require a special exception for a Multi-Family Development for any number of dwellings over two. The property is located in the Suburbanizing Zone and also within the City of Alcoa's planning region. In most cases, the property owner would have the option to divide a lot off of the existing tract and put the additional dwelling units on the new lot. The City of Alcoa would not approve the land division due to the lack of access to a public road. Mr. Fields recommended against the variance request.

Mrs. Murr was present and explained the situation regarding the property and the reason for the variance request. Ms. Shirley Boling was present and spoke in favor of the variance.

Mr. Walker made the motion to follow staffs recommendation and not approve the variance for the third dwelling. Mr. Brown seconded the motion.

- William Marrison – Yes
- Harold Brown – Yes
- Jim Melton – Yes

The motion for the variance did not pass.

**Dennis Morgan for lot 52 Big Valley Campground:**

The Morgan's are requesting a variance from the front building setback requirements. The setback requirements are five feet from the property line or twenty feet from the paved edge of the street, whichever is greater. Mr. Morgan would like to install a shed that would cover his existing structure. The 20' setback can be met on one end of the property but only meets the 5' setback on the lower end. Mr. Fields did not recommend for approval of the variance. Mr. Morgan then addressed the board and explained that Big Valley was no longer classified as a "campground", but as a "resort". Mr. Morgan stated that during the zoning study, lot size was taken into consideration when deciding the setbacks for what was at the time, the "campground". Due to most of the lots being 40' by 70', a setback of 5' on all the sides was agreed upon. On the front, the major concern was having adequate room on the road for emergency vehicles to be able to pass. Therefore, a 20' setback was established for the front, which would allow room for a car. By establishing a 20' front setback, and 5' setback on all sides, this reduces the usable amount of the lot to 49%. Mr. Brown made the motion that due to the fact that this structure was being built to cover an existing structure which was already "grandfathered" in, the variance be granted. Mr. Walker seconded the motion.

- William Marrison – Yes
- Rob Walker – Yes
- Harold Brown – Yes

**3. SPECIAL EXCEPTIONS: None**

**4. OTHER BUSINESS:**

Mr. Fields had a request to schedule a special called meeting in order to view a site plan for special exception for Quintex Enterprises on Topside Road. The meeting was tentatively scheduled for October 10, 2002 pending legal notification in the Daily Times.

**5. ADJOURNMENT:**

There being no further business to conduct, the Chairman declared the meeting adjourned.
