RE: Recommendation for Blount County Economic Development Board

DATE: September 9, 2004

For the consideration of the full commission, I am submitting my recommendation of the following name for reappointment to the Blount County Economic Development Board for a six year term beginning 11/1/04:

Mr. Joe Dawson

*Phone: (865) 273-5700*  
*email: bwoodruff@mail.blount.state.tn.us*

**ADMINISTRATIVE**

**Joint Operating Agreement for Blount Partnership** – Fred Forster reviewed the annual Joint Operating Agreement for the Board members and stated that each year this agreement for the Blount Partnership is presented. The agreement shows who pays for what with a breakdown on page 2. There are usually 1 to 2% changes each year depending on what is going on in the organization. Fred stated that page 3 has the staff breakdown report telling who does what for each of the four organizations for the work year. Fred said each year we ask the Economic Development Board for their approval of this Joint Agreement. The Joint Operating Agreement was approved by the Board on a motion made by David Williams and seconded by Fred Lawson. (Exhibit C)

*Aug. 19 EDB Meeting*

**Reappointment of EDB Chair for 2005** - Matt Murray said that he understood that Joe Dawson's term expired this year in the month of October and he asked the Board to approve the reappointment of Joe Dawson as a member of the Economic Development Board for another term which is for 6 years. Matt said that he moved that we accept the renewal of this reappointment to the Board and Chuck Alexander seconded the motion. Motion carried.

**PARTNERSHIP PARK SOUTH**

**Update on building a Spec Building** – Bryan asked Chris Soro to review the bid package changes that the Board asked him to make at the meeting in July. Chris said that the site plan had been changed just slightly to accommodate the site grading and make a turn around area in front of the facility. Chris said this will make a very attractive front to the building. Chris pointed out that with the reconfiguration of the site plan, we could change the location of the detention pond in the corner and this allowed for an additional 118 parking spaces at an angle. This site development will be much better and the costs should be lower than the figures presented at the meeting in July on the original site plan. The utilities are there with the exception of gas and Atmos Energy requires that we have a tenant in the building before they hook up the gas lines. Bryan said that before this project can go to bidding, we have to present the site plan to the PPS Joint Operating Committee and the City of Maryville will have to review the plan. The approval for staff to go to bid with a design/build plan to the contractors was made with a motion from David Black and seconded by Chuck Alexander.

**Financing for the Spec Building** - Bryan told the Board members that they would find a sheet of paper in their packet stating that SunTrust Bank was the low bidder when the bids were received. Bryan went over the bids with Joe Ingram (CPA from our accounting firm), the Board's Secretary/Treasurer and the Executive Committee to review the different proposals. Bryan said the Board was being asked to approve the proposal made by SunTrust Bank to finance the loan for the spec building, if the Board should decide to go ahead with this project. Options on the reserve account and possible projects will be discussed with the Board members before the next meeting in September. Joe Dawson said to move this project along, we need the Board to approve the site location, the design plans for the facility, and finance lender to be SunTrust Bank. Bryan is to come back to the Board at the September board meeting to finalize the complete package. David Black made a motion to proceed with the design/build process according to the design presented by Chris Soro with C2RL, Inc. and that we select SunTrust Bank as our lender under one of the five options they proposed and Chuck Alexander seconded the motion. (Exhibit D)

**Landscape & Logo Sign Plans** – Bryan introduced Sara Hedstrom from Carol R. Johnson Associates who has been contracted to do design plans for the landscape of a park in Partnership Park South and also design a new logo for the entrance sign. The original sign was demolished by high winds earlier this spring. Sara thanked

Private Act — General Sessions Judgeship — Funding

---

QUESTION

Chapter 111 of the Private Acts of 2004 creates a fourth section of the Blount County General Sessions Court. May the county add the fourth section without providing funds for an assistant district attorney general and assistant public defender if the cases assigned to the Court do not require the attendance or services of such officials?

OPINION

A fourth General Sessions Court may be added in Blount County if the county legislative body approves Chapter 111 by a two-thirds vote and funds any costs associated with the new judgeship.

ANALYSIS

Chapter 111 of the Private Acts of 2004 ("Chapter 111") allows Blount County to have an additional general sessions court upon meeting certain conditions. Your question deals with the funding condition, which reads as follows:

*This act shall take effect only if the cost of providing any additional assistant district attorney general, assistant public defender, or other costs associated with the judgeship created by this act are funded by Blount County, Tennessee, and such funding continues for the term of the judgeship created by this act.*

2004 Tenn. Priv. Acts ch. 111, § 3. The opinion request suggests the possibility that the presiding judge could assign the new court only civil cases that do not require additional attorney staff.<sup>1</sup> The implication of this arrangement is that additional attorney staff would be unnecessary. Chapter 111 does not address the assignment of cases, but it provides that "[s]ection 4 of the General Sessions Court shall have concurrent jurisdiction with Sections No. 1, No. 2 and No. 3." 2004 Tenn. Priv. Acts ch. 111, § 1(c). Even if the fourth section were only assigned civil cases, there could still be

<sup>1</sup> Chapter 111, § 3, refers to assistant district attorneys general and assistant public defenders. For convenience, we refer to them collectively as "attorney staff."

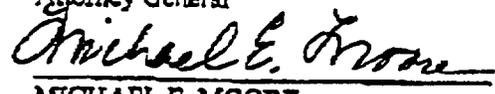

Page 2

a need for additional attorney staff associated with the new judgeship if manipulation of the fourth section's caseload reduced the civil cases assigned to the other three sections and increased their number of criminal cases. We think the real question is whether Chapter 111 requires Blount County to fund additional attorney staff before adding the fourth court, regardless of need, or whether it requires the county to fund additional attorney staff as they become necessary because of the fourth court. In our opinion, the latter interpretation is the more correct reading of the statute.

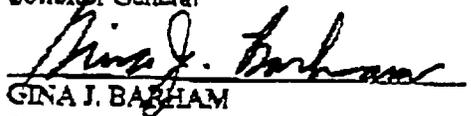

As noted above, Section 3 states "[t]his act shall take effect only if the cost of providing any additional assistant district attorney general, assistant public defender, or other costs associated with the judgeship created by the act are funded by Blount County, Tennessee . . . ." (Emphasis added). The use of the word "any" modifying assistant district attorney and assistant public defender makes no sense in this context, except "any" such personnel that may be required. If none are required, there are not "any" that need to be funded. Further, given that the sentence uses the word "or," we do not think funding for additional attorney staff is automatically required before the judge may assume office. Chapter 111 requires a determination of all the costs associated with a fourth judgeship, and it also requires the county to fund those costs, including additional attorney staff, as needed. But the statute is not itself a determination that additional attorney staff will be needed. As a practical matter, the appropriate county officials should consult on staffing needs with the District Attorney General, the District Public Defender, and the Presiding Judge of the General Sessions Court before approving Chapter 111 and assuming its funding requirements.

RE: Blount County Children's Home

Subj: Lease Agreement or Property Transfer

Dear County Mayor:

We as a duly appointed committee by the Board of Directors of the Blount County Children's Home located on 903 McCammon Avenue, Maryville, TN., have been given the task to discuss or procure a land transfer and/or a written lease agreement with Blount County Government for the aforementioned property.

As per the instructions from the Board of Directors of the Blount County Children's Home, we are sending you this document with our formal request for the Blount County Commission to agree to a land transfer or a long term written lease agreement.

It is our pleasure to submit our two proposals to the Blount County Mayor's Office & County Commission for their consideration on this matter. The following are the two proposals:

**Proposal #-1**

- We submit to the Blount County Commission, they transfer the two tracts of land totaling approximately 19 acres that was deeded to Blount County on 11<sup>th</sup> day of January 1924, by the J. N. Henry and wife Lou Henry of Blount County to the Blount County Children's Home. We might add this property was given a tax-exempt status for the past eighty- (80) years. We propose that Blount County Commission deed said property to Blount County Children's Home as long as the BCCH is doing business on said property. If and when the Blount County Children's Home ceases doing business as a non-profit organization at any time, the said property would automatically revert back and be deeded to Blount County. Blount County Children's Home then would assume all Liability to said property, including but not limited to any and all claims and demands, whether for injury to person, loss of life or damage to property, including attorney fees, arising out of the use of said property.

**Proposal #-2**

- We would submit our written twenty-year lease agreement to Blount County Commission for their consideration on the aforementioned property. Within this written lease agreement between Blount County Children's Home & Blount County Commission we have listed nineteen (19) items for your consideration, and we are

willing to sit down and discuss all items on our lease agreement to limit the Liability to Blount County during the term of said lease. We feel as a committee this is a reachable goal for both parties, and then we can look forward to the future for doing more for the children in Blount County as well as East Tennessee.

We have invested thousands of dollars and tens of thousands of man-hours over the past one hundred years to operate and create a non-profit organization known as the Blount County Children's Home to protect innocent children and young adults. Blount County Children's Home has built and paid for all of the structures on the property. As property owners we are only looking to protect our investments as well as Blount County's and their citizen's.

We have also in the past couple of year's changed our mode or focus of operations, and now we even include helping parents with their parental problems. We feel there is a greater necessity for the Blount County Children's Home to succeed, and more so in the future for the children of Blount County as well as the children in other counties.

In addition, let us say, "thank you" for allowing us to be associated with Blount County, and we do look forward in our future endeavors as a new regenerated group of people with our eye's focused on the future of our children.

If you have any questions concerning this letter, please feel free to give us a call at the Children's Home.
