Explanation: This is the unencumbered balance for the Kronos Project. I thought the appropriation was good for the life of the project, but have been informed that we need to re-appropriate the remaining project balance. The funding comes from fund balance since that is where the unencumbered balance was put at the end of the accounting year.

Re: \$79,800,000 General Obligation Refunding Bonds, Series 2013B Variable Rate Refunding and Swap Termination Analysis

Dear Mr. Vineyard,

Public Financial Management, Inc. ("PFM") is very pleased to present Blount County, Tennessee (the "County") this engagement letter related to performing refinancing and restructuring analysis for the County's \$79,800,000 General Obligation Refunding Bonds, Series 2013B ("Series 2013B Bonds") and its associated interest rate swap agreements. PFM's analysis will not only include the County's 2013B Bonds but also the County's aggregate debt portfolio. Certain goals have been preliminarily identified as desirable results of the potential refunding that this analysis will inform. These goals are not all inclusive, but are based upon County Commission adopted debt policy and are listed below:

- Reduce variable rate exposure to 20% (or as close as feasibly possible) of overall debt;
- Restructure debt so as to reduce the amount of unhedged debt in the long run;
- Create a more level debt service structure;
- Reduce year over year unhedged variable rate exposure.

Specifically, PFM's scope of services would include the following:

Task 1 - Develop Refunding/Restructure Parameters. Multiple moving variables exist in an analysis such as this. In order to better frame the possibilities, PFM will first assist the Director of Accounts & Budget ("Finance Director") in developing a set of parameters that help achieve the County's goals and stay within their budget. The parameters will serve as the base of the analysis to be performed. We will re-evaluate the parameters alongside the Finance Director as various intervals throughout the process as necessary in order to fine tune them based on viability and priority.

PFM expects this will take 2-3 weeks and will remain the framework of the analysis throughout the term of this engagement. Task 1 will be completed and reviewed with the Finance Director by August 31, 2015.

Task 2 - Evaluate Refunding Efficiencies. Questions such as "How much debt should the County refund? Which maturities should the County refund? How should the County structure the refunding bonds?, etc." are key to arriving at the most optimum refunding solution. Changing the outlook to one of these questions has a ripple effect to every aspect of the analysis. PFM will evaluate multiple refunding scenarios based on the refunding parameters, which will help answer questions such as these. These scenarios will narrow down the possible refunding structures; however, there will still be

Engagement Letter
July 22, 2015

a level of subjectivity in choosing the appropriate structure. PFM will walk through these scenarios with the Finance Director and discuss significant aspects of each.

PFM expects this will take 3-4 weeks. Task 2 will be completed by September 15, 2015. No deliverable will be provided as part of Task 2 given that Task 3 should be completed in order to provide the refinancing/restructuring options to be considered.

Task 3 - Evaluate Swap Termination Efficiencies. Due to the current structure of the interest rate swaps amortization, the hedge ratio of any outstanding swap and the variable rate obligation will fluctuate on a year by year basis. PFM will consider multiple options to terminate or assign the interest rate swaps in an effort to meet the County's goals and objectives. The swap termination efficiency of each scenario will be discussed with the County, as well as the specific scenario's impact on other goals.

PFM expects this will take 2-3 weeks. PFM will provide the Finance Director with several refinancing/restructuring options to be considered by September 30, 2015.

Final Deliverable

PFM will work with the Finance Director to review all options. Once the ideal option has been determined, PFM will prepare a presentation to be delivered at a County Commission Workshop to be scheduled in October 2015.

Financial Advisor Compensation

Should the County engage PFM to perform the analysis described herein, PFM would propose a total fee of \$9,000. This is inclusive of any and all out-of-pocket expenses that may be incurred during the course of this engagement.

As part of this engagement, PFM discloses there are no existing or potential conflicts of interest related to existing clients and/or business relationships between and among the professionals associated with the engagement.

If this engagement letter is satisfactory, please have an authorized official of the County acknowledge below and return one copy to the undersigned.

Sincerely,

A handwritten signature in black ink that reads 'Lauren S. Lowe'. The signature is written in a cursive, flowing style.

RE: Smoky Mountain Airshow

DATE: August 10, 2015

Attached is a MOU outlining a partnership of Blount County, Knox County, City of Knoxville, Tennessee Air National Guard (TANG), and the Metropolitan Airport Authority (MKAA). The purpose of this agreement is to host and sponsor the Smoky Mountain Air Show in April 2016. Based on my conversations with all entities involved and our participation in the planning of this event, we have been asked for a sponsorship of \$10,000 for this event.

The beneficiary of the Smoky Mountain Air Show is the Honor Air Program which sponsors trips for our veterans to memorial sites in Washington D.C.

I hope that you will agree to support this endeavor and forward to the County Commission for approval.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding regarding the Smoky Mountain Air Show, tentatively scheduled for April __, 2016, and expected to feature appearances by the Blue Angels air squadron, is entered into by and among the Metropolitan Knoxville Airport Authority ("MKAA"), located at McGhee Tyson Airport (The Airport) in Alcoa, Tennessee; the City of Knoxville, Tennessee; Knox County, Tennessee; Blount County, Tennessee; and the Tennessee Air National Guard (TANG) (each individually a "Party" collectively; the "Parties"). The Parties have made varying commitments to the Smoky Mountain Air Show (the "Air Show"), each of which is discussed and confirmed in this Memorandum. Each commitment is subject to the approval of the governing body of that Party.

Accordingly, MKAA, the City of Knoxville, Knox County, Blount County, and TANG, individually and collectively understand and agree to the following:

1. MKAA, in partnership with TANG, will host the Smoky Mountain Air Show at the Airport.
2. The financial contribution of each Party will be delivered to MKAA for its use in putting together the Air Show.
3. The Parties have been and will continue to assemble a team of individuals to be responsible for planning and carrying out various functions necessary to the success of the Air Show. Jennifer Giffin, of the MKAA Staff, has been designated Air Show Coordinator; and the names and areas of responsibility of the other members of the team are shown on the attached Exhibit A. The exhibit is subject to being changed from time to time before the dates of the Air Show, and the parties agree that an updated Exhibit A may be substituted for that Exhibit A attached hereto at the time of execution of this Memorandum, appropriately titled "Substitute Exhibit A".
4. MKAA is hereby authorized, with the complete agreement of all other Parties to schedule all acts ancillary to the Blue Angels performance; to negotiate and enter into contracts with vendors and suppliers for such things as parking and food and drink concessions; and to secure a noted announcer for the Air Show program to enhance the experience for those attending; and to utilize the contributed funds to compensate performers, and to collect from vendors and concessionaires the amounts contracted for.
5. MKAA will use the contributed funds to secure necessary insurance coverages appropriate for the event to protect all participating agencies against claims for personal injury/property damage alleged to have resulted from or arisen out of the Air Show.

6. The MKAA is hereby authorized to spend the funds contributed by the Parties without seeking further permission for individual expenditures; and it will periodically provide an accounting for all said expenditures.

7. It is further mutually agreed among the Parties as expressed herein that the MKAA is authorized to set charges for parking and admission to the Air Show, and to approve standard rates to be charged by vendors of food, drink, souvenirs, and similar items offered for sale to attendees at the Air Show.

8. It is further mutually agreed that any net revenues, after all expenses of the Air Show have been paid, will be contributed by the Parties to the Honor Air Program.

9. The designated contact persons at the various agencies that are Parties to agreement are as follows:

- a) MKAA – Trevis Gardner, Vice President of Operations;
- b) TANG – Lieutenant Colonel Bart Wilder;
- c) Knox County, Tennessee – Richard Julian;
- d) City of Knoxville, Tennessee – Charles Swanson, Law Director;
- e) Blount County, Tennessee – Mayor Ed Mitchell.

This Memorandum of Understanding shall serve as the operating agreement among the Parties for the Smoky Mountain Air Show, and represents the entire agreement among the Parties. Any amendment to this Memorandum must be in writing and signed by all Parties.
