### **III. Responding to Public Records Requests**

#### **A. Public Record Request Coordinator (PRRC)**

1. The PRRC shall review public record requests and make an initial determination of the following:
  - a. If the requestor provided proof of Tennessee citizenship;
  - b. If the records requested are sufficiently detailed to enable the governmental entity to identify the specific records for inspection and copying;
  - c. If the requested records will be in need of redaction;
  - d. If the requested records are exempted under state law; and
  - e. If the County is the custodian of the records.
  - f. A governmental entity is not required to sort through files to compile information or to create or recreate a record that does not exist.
2. The PRRC shall acknowledge receipt of the request and take any of the following appropriate action(s):
  - a. Advise the requestor of this Policy and the requirements hereunder:
    - i. Proof of Tennessee citizenship;
    - ii. Form(s) required for copies;
    - iii. Fees (and labor threshold and waivers, if applicable);
    - iv. Aggregation of multiple or frequent requests.
  - b. If the request is denied under law, the denial of the request shall be in writing, providing the appropriate ground such as one of the following:
    - i. The requestor is not, or has not presented proof of being, a Tennessee citizen;

- ii. The request is not sufficiently detailed to enable the governmental entity to identify the specific records for inspection and copying;
- iii. The record requested is subject to an exemption that makes the record exempt to disclosure under the TPRA;
- iv. The County is not the custodian of the requested records; or
- v. The records do not exist.
- vi. The request requires the government to sort through files to compile information or to create or re-create a record that does not exist.

c. Forward the records request to the appropriate records custodian in Blount County.

3. The designated PRRC is: Circuit Court Records Request Coordinator, 926 East Lamar Alexander Parkway, Maryville, TN 37804

#### B. Records Custodian

1. Upon receiving a public records request, a records custodian shall promptly make requested public records available for inspection in accordance with Tenn. Code Ann. § 10-7-503(a)(2)(B). If the records custodian is uncertain that an applicable exemption applies, the custodian may consult with the PRRC.
2. In the event it is not practicable for the record to be promptly available for inspection because additional time is necessary to determine whether the requested records exist; to search for, retrieve, or otherwise gain access to records; to determine whether the records are open; to redact records; or for other similar reasons, then a records custodian shall, within seven (7) business days from the records custodian's receipt of the request, send the requestor a completed Public Records Request Response Form attached as Form B.
3. If a records custodian denies a public record request, he or she shall deny the request in writing as provided in Section III.A.2.b and may use the Public Records Request Response Form B.
4. If a records custodian reasonably determines production of records should be segmented because the records request is for a large volume of records, or additional time is necessary to prepare the records for access, the records custodian shall use the Public Records Request Response Form B to notify the requestor that production of the records will be in segments and that a records production schedule will be provided as expeditiously as practicable.

### C. Redaction

1. If a record contains confidential information or information that is exempt from public inspection, the records custodian shall prepare a redacted copy prior to providing access. If questions arise concerning redaction, the records custodian should coordinate with the county's legal counsel or other appropriate parties regarding review and redaction of records. The records custodian and the PRRC may also consult with the OORC.
2. Costs associated with redacting records, including the cost of copies and staff time to provide redacted copies, shall be borne by the requestor. See Tenn. Code Ann. § 10-7-503(a)(5).
3. The redaction of confidential information shall not constitute the creation of a new record.

### D. Questions

If the PRRC or records custodian have any questions regarding this Public Records Policy, the Tennessee Open Records Act, and/or the exceptions to the Tennessee Open Records Act, the query shall be submitted to the Blount County Attorney.

## IV. Inspection of Records

- A. There shall be no charge for inspection of public records
- B. The location for inspection of records within the offices of the Blount County Circuit Court Clerk shall be determined by either the PRRC or the records custodian.

- B. Copies will be available for pickup at the office of the records custodian.
- C. If the requestor, after having proved his Tennessee citizenship, desires the records to be mailed to him/her, they shall be mailed upon requestor's payment of postage, via the United States Postal Service.

- D. A requestor will not be allowed to make copies of records with personal equipment. If the Requestor desires the records to be transferred to an electronic storage device, this may be accomplished upon the Requestor reimbursing the County for the cost of the device and the time required for personnel to accomplish the electronic transfer.

## **VI. Fees and Charges and Procedures for Billing and Payment**

- A. Records custodians shall provide requestors with an itemized estimate of the charges prior to producing copies of records and may require pre-payment of such charges before producing requested records.

  - 5. If an outside vendor is used, the actual costs assessed by the vendor.
- C. Payment is to be made in cash, money order, cashier's check, or credit card (with a fee)
- D. Payment in advance will be required when costs are estimated to exceed \$25.00.
- E. Aggregation of Frequent and Multiple Requests
  - 1. Blount County will aggregate record requests in accordance with the Frequent and Multiple Request Policy promulgated by the OORC when more than (4) requests are received within a calendar month (either from a single individual or a group of individuals deemed working in concert).
  - 2. If more than four (4) requests are received within a calendar month:
    - a. Records requests will be aggregated at the records custodian level. A records custodian having the right to aggregate requests must inform the requestor(s) of the determination to aggregate.
    - b. If the requirements for aggregation are met the records custodian is no longer required to deduct the one (1) hour free labor threshold.

c. The PRRC is responsible for making the determination that a group of individuals are working in concert. The PRRC or the records custodian will inform the individuals that they have been deemed to be working in concert and that they have the right to appeal the decision to the OORC.
