IF YOU WERE OUT OF BUSINESS IN THIS COUNTY ON JANUARY 1, PLEASE NOTIFY THE ASSESSOR OF PROPERTY OF THE DATE OUT OF BUSINESS IN ORDER TO AVOID A FORCED ASSESSMENT.

PART II. OWNED PERSONAL PROPERTY - STANDARD VALUE

Report all personal property owned by you and used or held for use in your business or profession as of January 1, including items fully depreciated on your accounting records. Do not report inventories of merchandise held for sale or exchange or finished goods in the hands of the manufacturer. Personal property leased or rented and used in your business must be reported in PART III of this schedule and not in this section. Property on which you wish to report a nonstandard value must be reported in PART IV of this schedule and not in this section. Qualified pollution control equipment must be reported in PART V of this schedule. A separate schedule should be filed for each business location.

List the total acquisition cost new for each group below by year the property was new (typically the year made) in the REVISED COST column. For property purchased as used, if the cost new or year the property was new is not known and cannot reasonably be determined, you may report the actual acquisition cost to you for the year you acquired the property. If COST ON FILE is printed on the schedule, you need only report new cost totals in the REVISED COST column resulting from acquisition or disposition of property.

ALTERNATIVE REPORTING FOR SMALL ACCOUNTS - If you believe the depreciated value of your property is (1) \$2,000 or less or (2) \$10,000 or less but more than \$2,000 you may select the corresponding Small Account Certification (reverse side) as an alternative to reporting detailed costs below. Either certification is subject to audit.

REVERSE SIDE OF THIS FORM MUST BE COMPLETED IF APPLICABLE
