

\$300,000 GRANT

**Baker & Centenary Creeks Watersheds
Public Information/Listening Sessions**

All sessions begin at 7:00 PM

Monday, November 1 - Binfield Community Center

Thursday, November 4 – Carpenter’s Elementary School

Monday, November 8 - Greenback Community Center

Come and hear about the grant work program including agricultural best management practices, septic system repair/replacement, retention basin retrofit, and how you may benefit. Come and give your comments and thoughts about water quality and what we should do about it.
